GARINGER HIGH SCHOOL CHARLOTTE, NORTH CAROLINA VOLUME LXIV

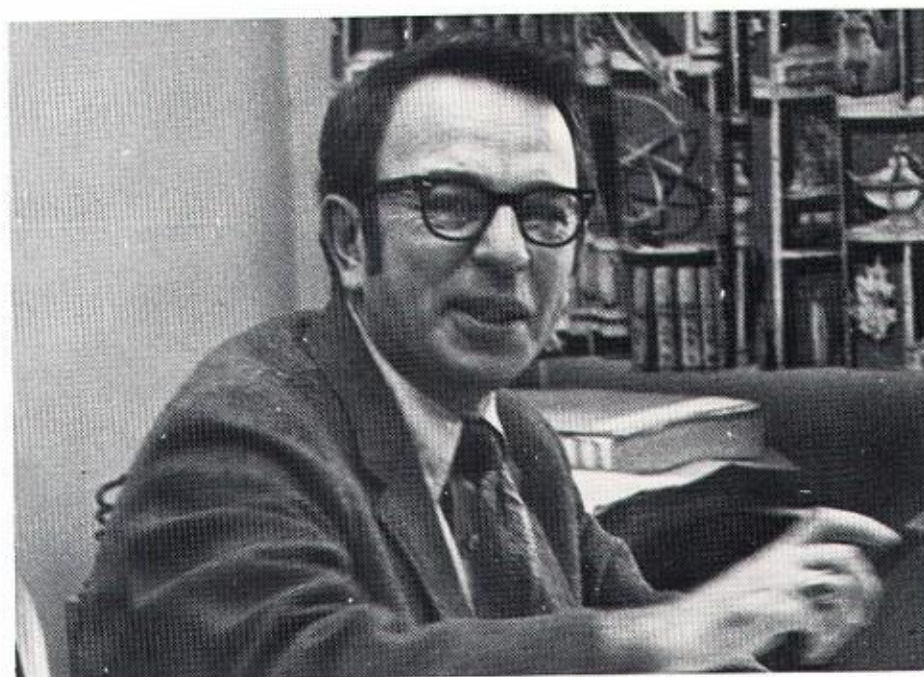

FACULTY

SMOOTH OPENING

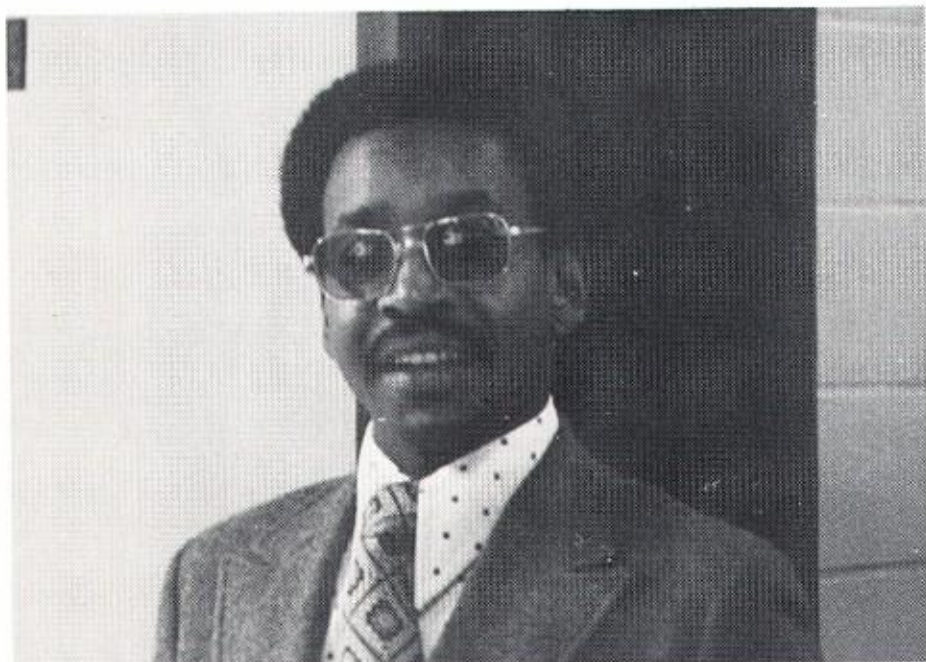

The 1972-73 school year opened very smoothly. It took a lot of hard work over the summer months from both the administration and the staff to see that Garinger started on time and with no difficulties.

However, not only did the administration and staff work hard over the summer, but throughout the school year they work to keep the school running smooth, so that the students can learn without any disturbance.

The students are lucky to have such a capable administration and staff working for them.

AIDES TO THE RESCUE

Mrs. Marietta Jackson — 100 Office

Mrs. Eunice S. Lefler — Main Office

Mrs. Loretta Price — 200 Office

Mrs. Nadine Sinclair — 300 Office

Throughout the school year the office aides rescue the students and the teachers from many tiresome chores. The aides rescue the teachers from such tiresome chores as typing and running off tests and exams. The aides also run off copies for student questionnaires and information bulletins. They take registrations for special tests and can give any information about such tests. Helping the school body in every way they can, the office personnel should be thanked for rendering their services to Garinger High School.

Now I don't believe this!!

DEAR COUNSELOR

Miss Inez Bankett

Mrs. Gretta Kistler

Mrs. Juanita Reid

Mr. Sam Smalling

Mrs. Carolyn Woodall

At the beginning of this school year, the counselors had lines of students outside of their doors, talking and complaining. They were talking to their friends and complaining about their schedules. With the help of our counselors most students found an answer to their problem.

Throughout the school year our counselors provide help to any student who seeks it. The students are lucky to have such counselors who are so understanding and helpful.

ENGLISH BRINGS AWARENESS

This year's English teachers are encouraging the students to think for themselves and become aware. Teaching every student to become aware by reading and comprehending what is read is one of the most important tasks of the English department.

Of course, the English department also fulfills the needs of teaching grammar and other necessary skills needed for a student to become proficient in English.

STEP INTO THE PAST

Mr. Steve Camp

Mr. James Edwards

Mr. Ronald Aldridge

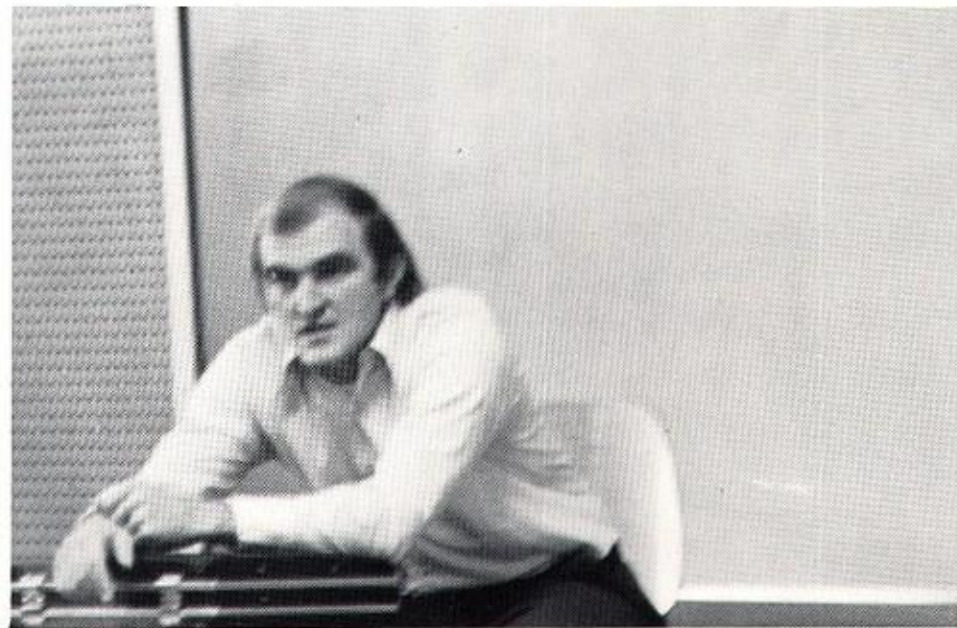

Mrs. Beatrice Bennett

Another day like this will kill me?!

History takes the students back into the past and allows them to see how our past is connected to the present. By studying the past, the student can learn how to improve the present and the future.

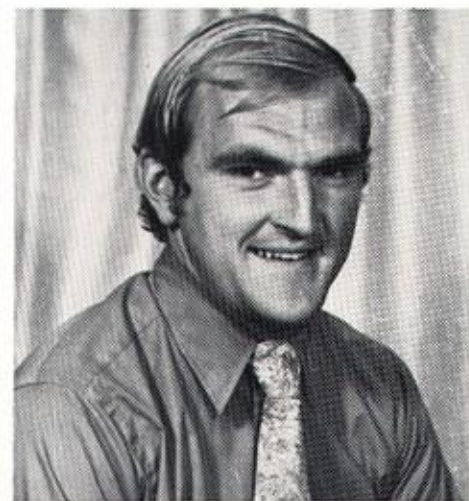

Under the guidance of our skilled teachers, the students are able to gain an understanding of history.

Do you want to fight about it?

Mrs. Frances Hawn

Mr. Reid Hilderbrand

Mrs. Flora Huntley

MATH IS THINKING

Mr. James Asbury

Mrs. Jane Boyd

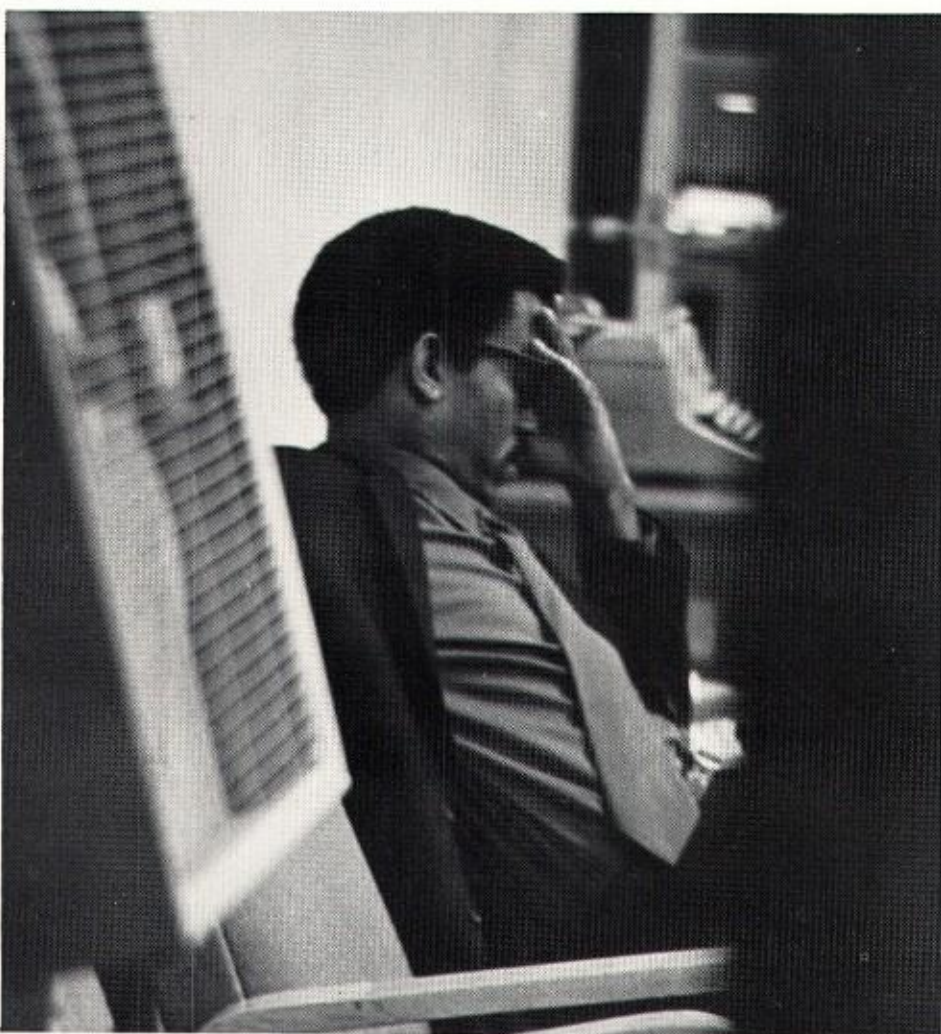

Mrs. Karen Brooks

Miss Jean Grisdale

Think is a synonym for math. Without the ability to think or to draw conclusions from what is given, math can be a very difficult and boring subject.

Only with the aid of our competent math teachers are the students able to understand and put to use the skills learned in math.

ENJOY LEARNING ?

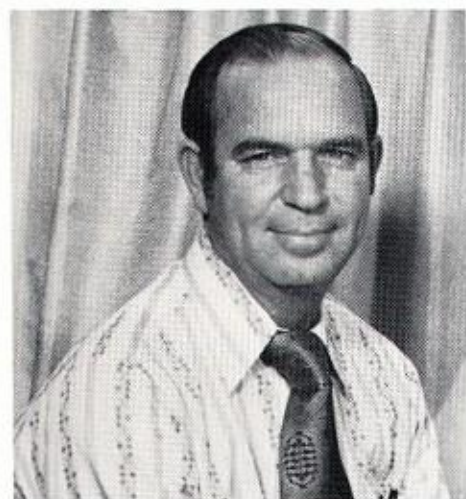

Yes! Science is a course which involves both book work and lab work. Lab work provides some interesting and different work, adding enjoyment to the process of learning. Our science teachers provide their students with plenty of opportunities to learn while enjoying themselves.

FOREIGN LANGUAGE INCREASES KNOWLEDGE

Mrs. Shirley Heinbaugh

Mrs. Margaret Sims.

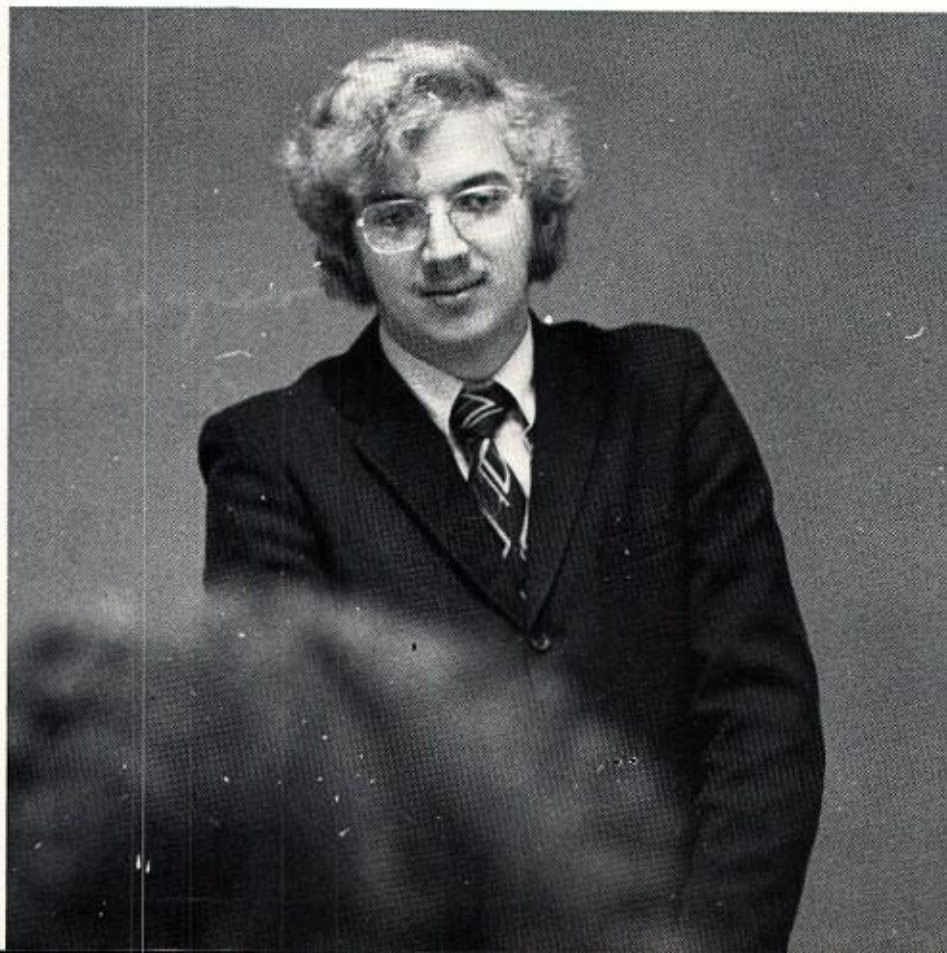

i. Ten cuidado! El stupido!

Well, aren't you the cute one?

This year's foreign language department had the misfortune to have three teachers leave. However, two new teachers, Miss Divine and Mrs. Howle were eagerly waiting to help the students master their chosen language.

A foreign language is one of the most difficult subjects to master. It is with the encouragement and help of Garinger's excellent foreign language department that our students are better able to attain a higher degree of competency in their chosen language.

EXPRESS YOURSELF

Art is the one class where a student can express himself and his emotions without saying a word. Under the direction of Miss King, the students are able to achieve a higher degree of skill in the way in which they express themselves.

Miss Wilma King

Ideas get stranger every year.

A WORK OF ART

Miss Jane Robinson

Again this year students could increase their knowledge of religion and literature by taking Bible. Bible, an elective course, is open to any student interested. The course teaches religions and presents the Bible as a work of art in the field of literature. Miss Robinson, devoted to teaching and helping students, is an excellent person to guide the students through this course.

A source of inspiration.

MUSIC CREATES ENJOYMENT

I can so count? One . . . uh . . .

Garinger High School has both a choral and instrumental department. Last year both departments performed excellently both at school functions and at contests. In the contests they received high ratings and they hope to do as well this year.

Under the direction of Mr. Sanders and Mr. Maddox the music students become highly skilled in their field of music. Most students enjoy their musical field and do not mind practicing hard to achieve their musical goal.

Mr. Robert Maddox

Mr. John Sanders

Now this is the best concert yet!

Research Center

Mrs. Dorothy Crawford

The library has many books on any subjects.

The library is one of the most important functional parts of the school. Providing students with a place to research and study, not only during school, but before and after school, the library becomes the center of many school projects. To make the projects inter-

esting, films and records can be used as a source of information. With the help of the librarians the students are able to find most of the material needed for any project.

Mrs. Helen Hollingsworth

Mrs. Sarah Parrish

Miss Sandra Smith

I see you owe \$13.00 on one book! Interesting!

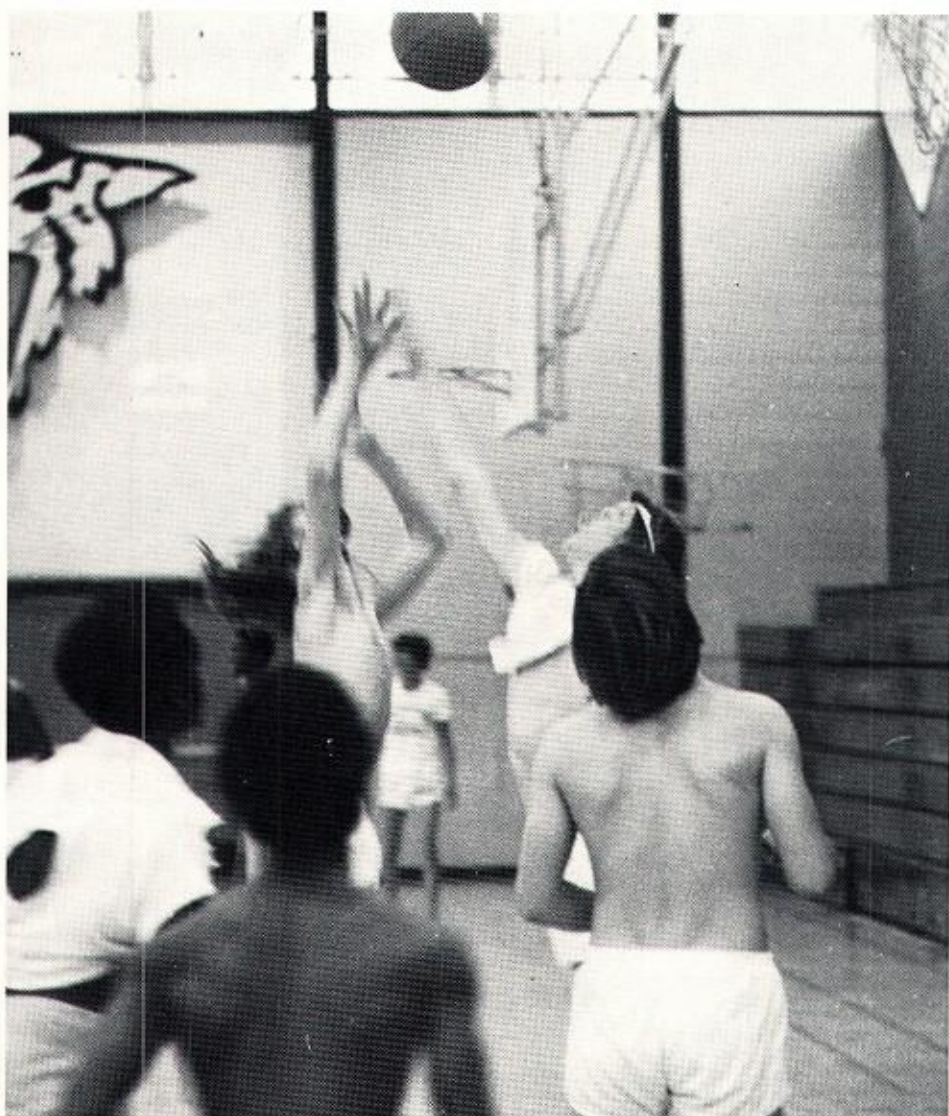

Mr. Warren Hicks

Miss Joyce Hunter

Work! Work! That's all I ever do!

I've got it! I've got it!

OOPS! Where did it go?

P.E. PROVIDES RECREATION, ENJOYMENT

Miss Patricia McGee

P.E. is one of the most active courses that any student at Garinger can take. Games such as basketball, track and volleyball give the students plenty of exercise and help to get their bodies in good physical condi-

tion.

Using the excellent facilities available to them, our competent P.E. teachers are better able to accomplish the tasks of keeping our students alert and in good health.

PREPARE FOR THE FUTURE

Mr. Gilbert S. Ballance

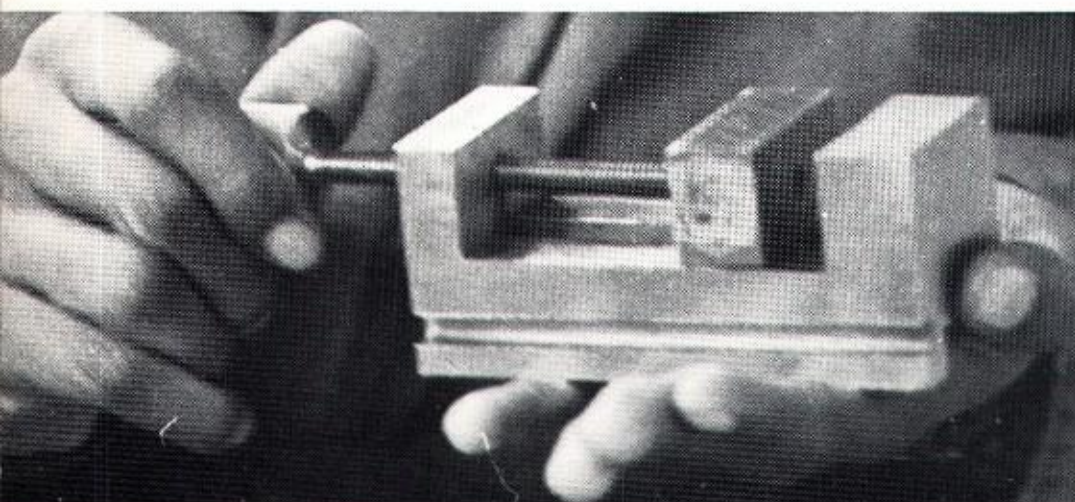

Mrs. Virginia Boyd

Mr. Wayne Branshaw

Mrs. Maxine Davis

Mr. Robert Doster

Mrs. B. Edens

Mrs. Clotelle Fisher

Mrs. Sabra Griffin

Preparing for the future is the most important thing that a student can do while in high school. By learning a skill in high school a student can more readily find a job.

Here at Garinger such courses as typing, shorthand and graphics give a student a chance to prepare for the future.

Under the guidance of our vocational teachers and with the many vocational courses offered, a student can easily prepare for a future after high school.

What have you done to this?

Mrs. Pamela Huss

Mr. John Kemper

Miss Frances Ryan

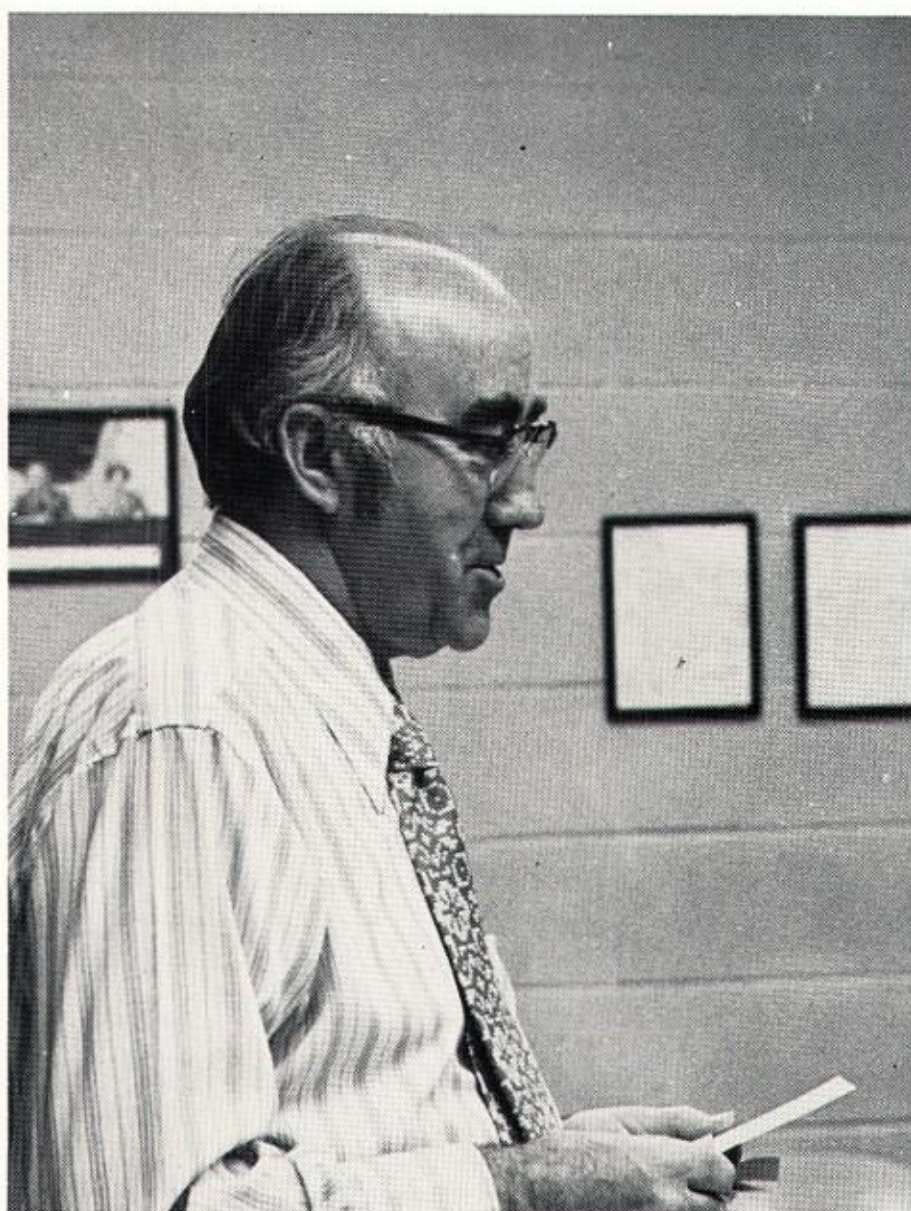

Mr. Kenneth Sinclair

Miss Delores Tibshrary

Miss Clara Timmons

Mrs. Barbara Tull

Who's going to buy this last lottery ticket?

Help!! Somebody!

Again this year the sophomores are going to try to learn to drive without scaring the other passengers in their car or the other drivers on the road. Throughout the school year, the new drivers yell for help to correct an error such as running a stop sign. Without the patience and boldness of our well-trained D.E. teachers, many students would never be able to drive.

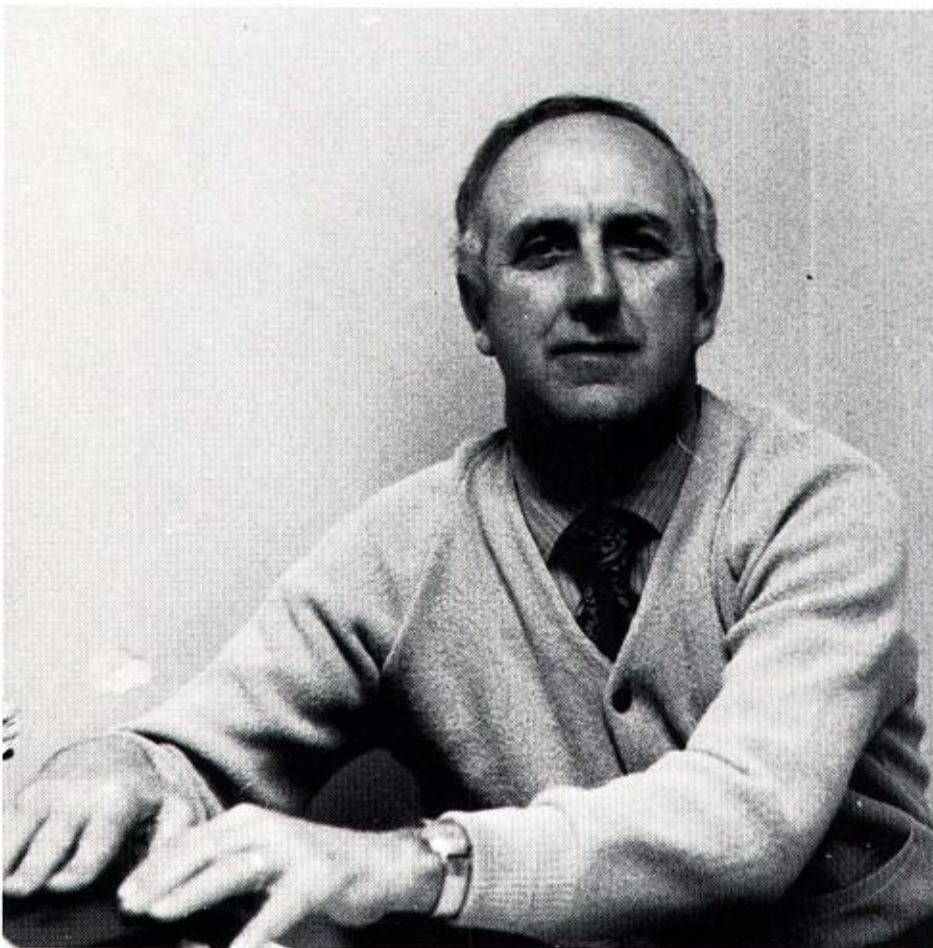

Mr. Charles McMullan

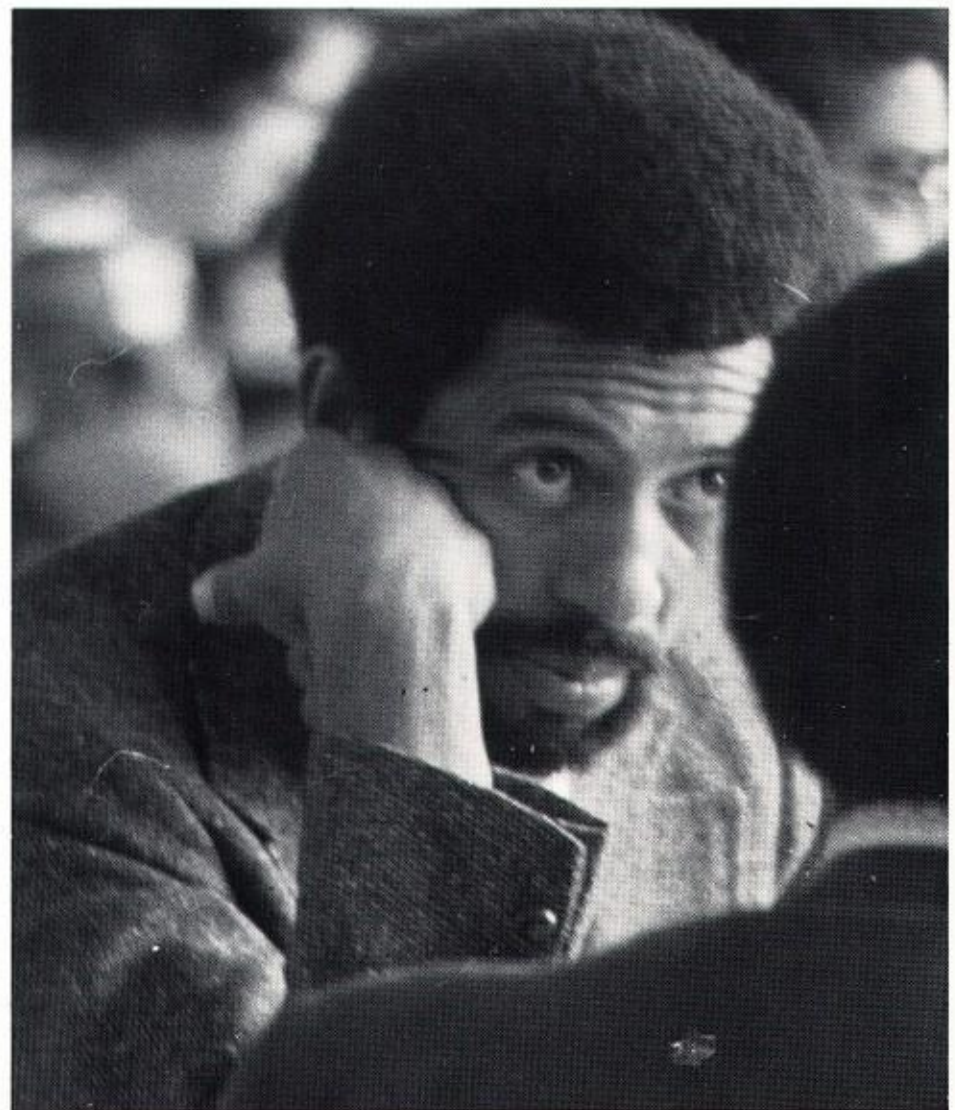

Mr. Arthur Wilson

Yes, you need the rules before you can drive!

I had the worst experience today!!

He hit the light pole: . . . again!?

R.O.T.C.

Mr. O. B. Bachner

Lt. (ret.) W. W. Campbell

Mr. J. L. Lopez

Are you sure this thing comes off??

My girdle's killing me!!

R.O.T.C., the Rotary Officers Training Corp, was offered here at Garinger again this year.

R.O.T.C. helps to improve the minds and bodies of any student taking the course. Besides promoting good physical and mental fitness, the course promotes individual and group competition.

It is only with the guidance of the army officers that this has been a success.

Garinger Thanks You

Both the custodial staff and cafeteria personnel should be congratulated for the excellent manner in which they keep this school liveable.

The custodial staff keeps our campus clean and our building both clean and warm. While the custodial staff stays busy doing this, our cafeteria personnel stays busy preparing hot meals for the students. These tasks seem never to find an end. Garinger is truly fortunate to have such a capable staff to take care of both the students and our school.

ACTIVITIES

Student Council Works for Garinger

Just spit it out, G. C.!

And the winner is . . . Carlyle Taylor!

The Student Council started out with an advantage this year since the members of the Executive Committee were chosen in the spring. The Student Council first started out with having a "cook-in" for all the teachers and they all seemed to enjoy it. Sophomores were informed about their new school by the Big Brother and Sister program. In the spring, the Student Council helped with the school bar-be-que and with Honors and Awards. Throughout the school year, the Student Council works to improve communications between students and faculty.

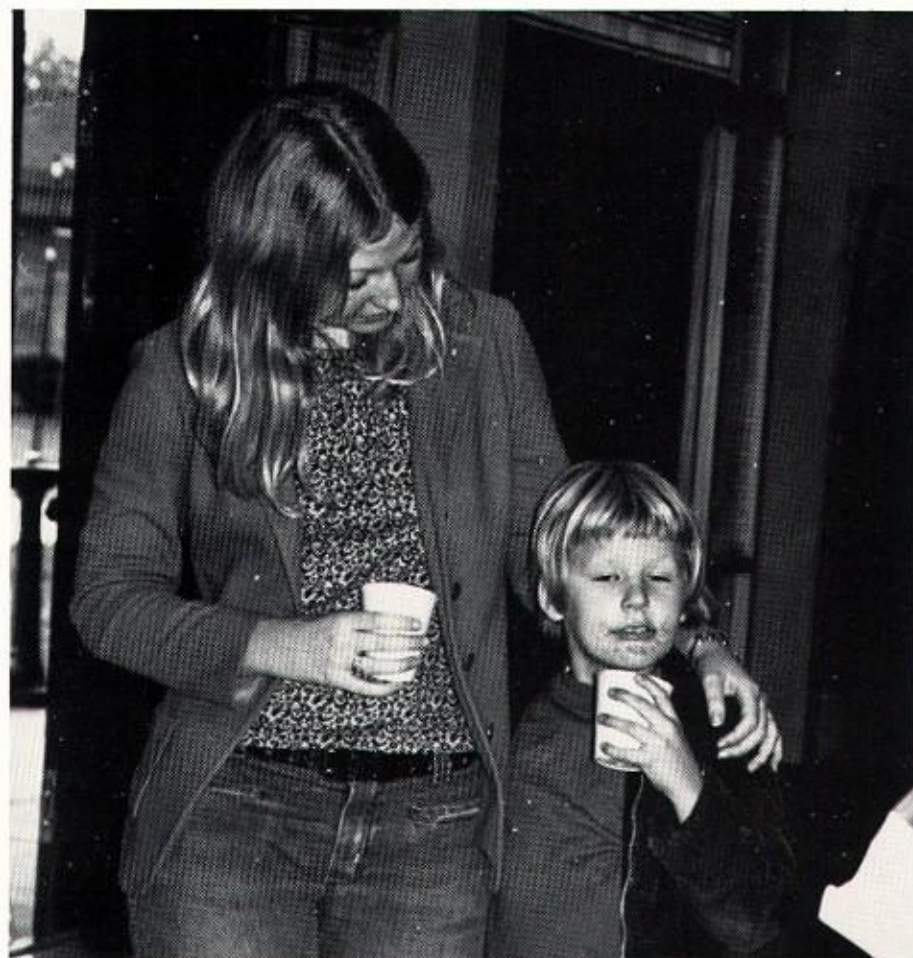

Above: Executive Council: First row: Ronnie Kirby, Ellen Wilcox, G. C. Ritchie, Sam Fulwood, Thad Allen, Brad Bradshaw, Carlyle Taylor, Jay Curlee. Below: Student Council members listen to suggestions.

Adelpians: Service

"Did he really give you that last night?" "No, it's just my Adelpian pin."

Mary Powell has found a friend. Below: Kids and Adelpians get along well together.

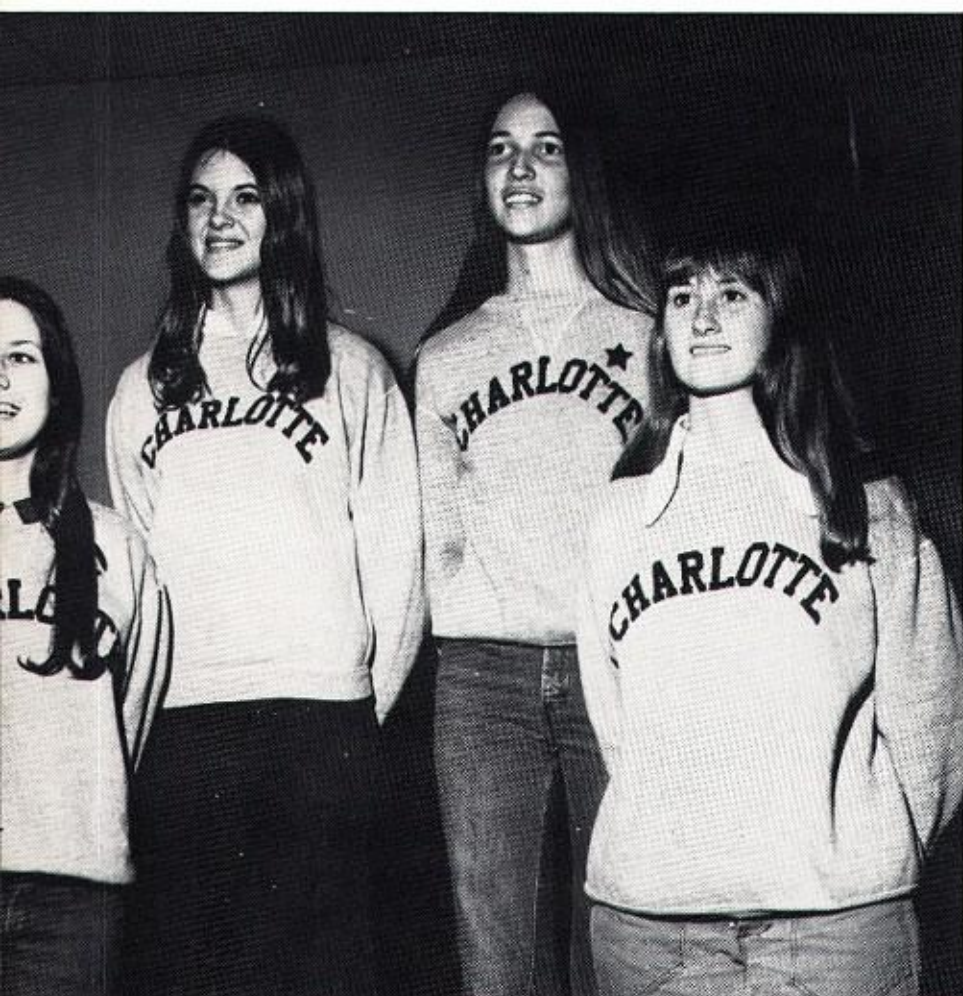

Officers: Susie Willis, Mary Powell, Cindy Rayner, Libby Bass.

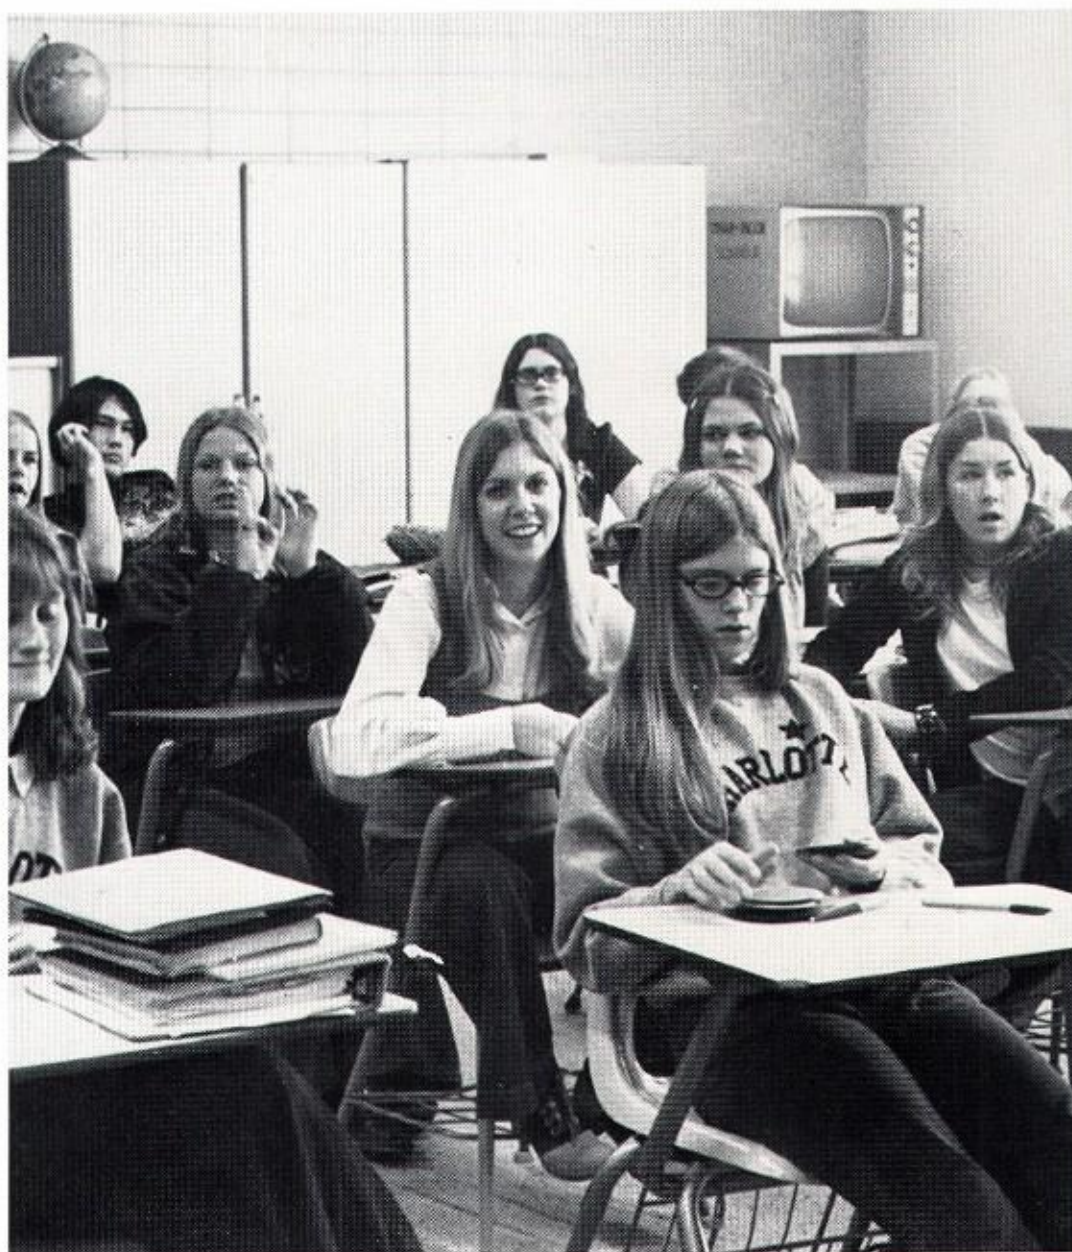

The Adelpians is a sophomore service club that engages in these types of projects — selling football programs, serving refreshments at the Junior-Senior, and presenting a scholarship on Honors and Awards Day. Other projects consist of giving a Christmas program at Green Acres and a Halloween party at Alexander's Children's Home. They also collected money for the Heart Fund and United Appeal. With money raised by a pretty legs contest, doughnut selling, and a car wash, Adelpians were able to enjoy a week-end beach-trip.

GGG Raises Funds

Officers: Kathy Stewart, Janet Dimmick, Rita Dixon, Gwen Hartsell.

Above: GGS meetings are . . . ?
Left: With players like this, how could we lose?

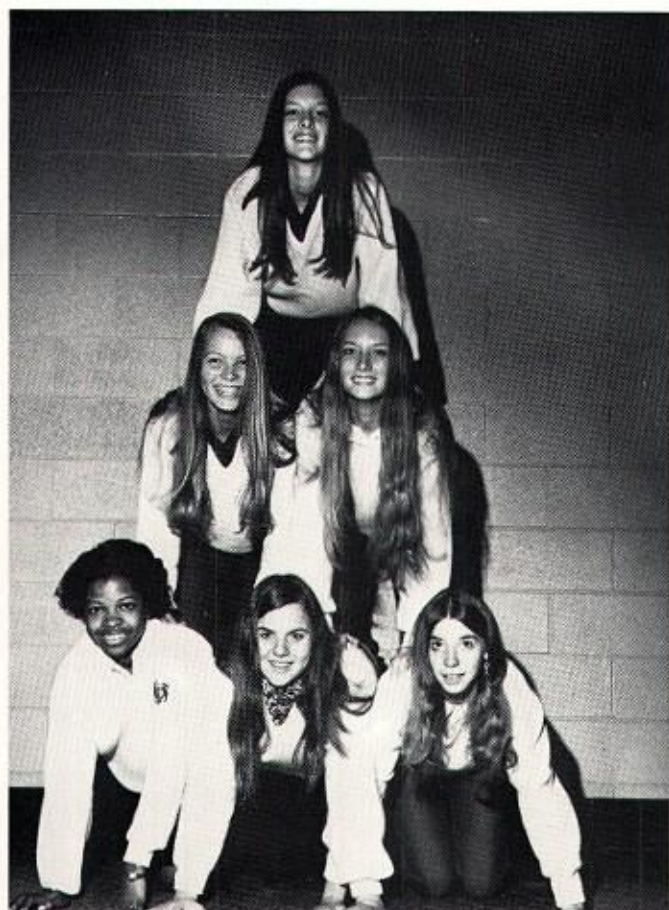

Girls Good Sports Club spends its time working on fund-raising and service projects. For football season, the girls sell programs, confetti, twirlers and decorate the stadium with signs. At Christmas, the club supports a needy family, decorates a Christmas tree in the cafeteria and gives a tea in honor of its old members.

G.G.S. participates in the powderpuff football and basketball games. At the end of the year, the club takes a weekend trip to the beach.

If they want new members, the refreshments will have to be better this year.

Centrusa's Year Starts With Tea

Above right: Centrusa basketball team.

Put **this** in and liven things up!

Centrusa renders service to Garinger and our community. This year Centrusa started off by having a tea for all prospective members. The year was filled with powderpuff football and basketball against GGS, a Valentine's party for elderly people in our community, collecting for the heart fund, and sponsoring the basketball team. Proceeds from Centrusa's Spring Fashion Show help to establish two scholarships for senior girls.

Interact Participates in Youth-In

Interact Club takes part in community and service projects. For instance, every year Interact participates in the Youth-In, which takes place at Ovens Auditorium. The Youth-In, which is backed by the Rotary Club, gives young people a chance to show their talents and win scholarships. Interact's money-making projects include doughnut sales, a "Pretty Legs" contest, and an inter-club basketball game.

Below: Officers: Debbie Rion, Kathy Holmes, Sabra Faires, Robin Cuthbertson, Laura Newman, Becky Spinks, Nancy Gardner.

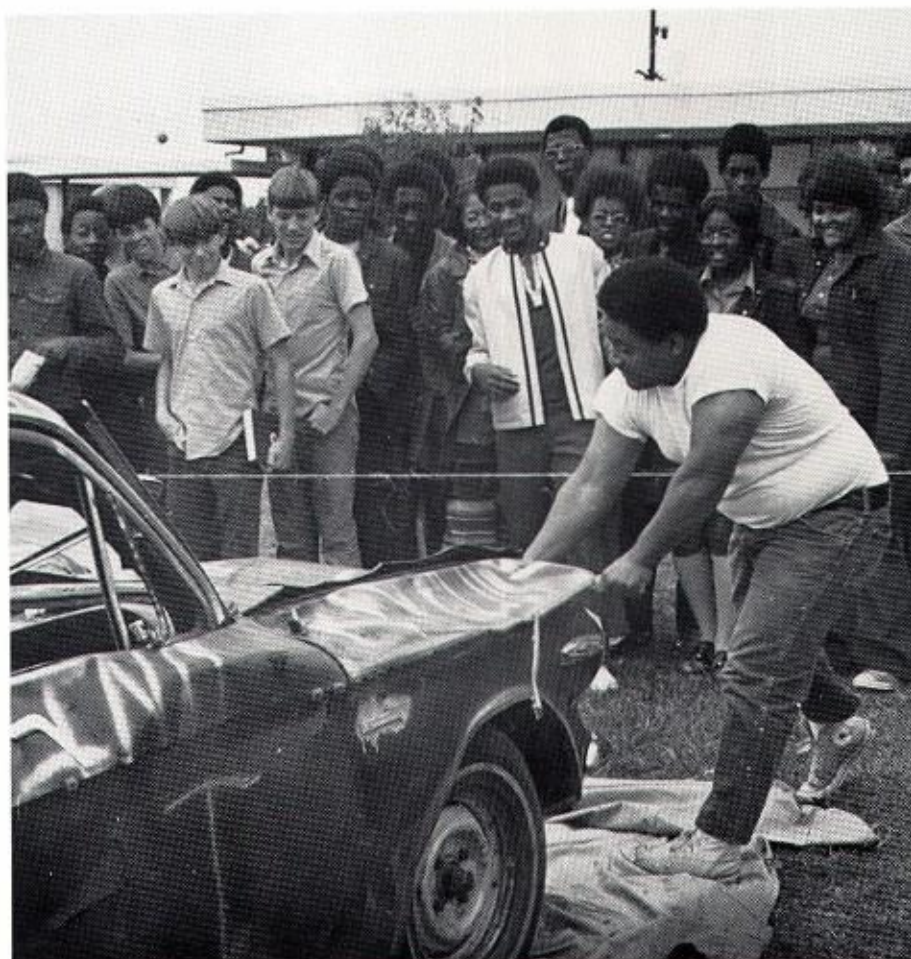

The Keyette Club began the year by selling Keyette Key Chains and sponsoring a teachers' tea. The club continued working at Wesley Nursing Center this year and gave a Christmas party for the residents. Throughout the year, the Keyettes have also helped needy families at Thanksgiving and Christmas by giving them clothes

and food. Keyette members backed the Soccer team and attended the Soccer games. The club sold candy as a money-raising project, and is planning another project for the spring. They are also planning to engage in a school cleaning project.

Key Club Has Successful Year

Above: Maybe just a little tap here! Below: This'll teach you, you mean old car!

Above: Take this . . . and this and this! Below: Some just listen and some just talk!

The Key Club is a service organization at Garinger that is dedicated to helping the school and community. To achieve this, they sponsor a number of projects throughout the year. Included among them are: the Battle of the Bands each fall; the Key Club Kapers each spring; publishing jointly with the Keyettes a student directory and distributing it free of charge; furnishing flowers for

the cheerleaders during football season; running a concession stand after school and at baseball, football, and soccer games; furnishing flowers for the teachers' lounges on Teacher Appreciation Day; and supporting the International theme and objectives program, "Insure Tomorrow," throughout the year.

Wildcat Club Promotes School Spirit

The Wildcat Club is a school spirit club which is open to everyone. This year the club sponsored buses to the out of town football games. The Wildcat Club also sells booster badges for all football and basketball games.

During the first semester, the Chess Club is devoted to an inter-club tournament to determine who the best players are. Second semester, the Garinger chessmen are ready to take on any opponents, from any school that is interested in playing a proficient game of chess.

Literary Magazine Printed

Oh well! There goes this year's Under the Willow Tree!

I think we saved it; maybe it'll turn out alright after all.

*Above: I'm sure glad you thought of that:
Right: Sandy and Iris work to make Under the Willow Tree a success.*

Under the Willow Tree has now entered its sixth year of publication. Garinger's literary magazine received its title from the willow tree that stood beside the library. *Under the Willow Tree* serves as an outlet for Garinger students' self-expression. Literary works are submitted by students; staff members edit and illustrate the material. The printing of the magazine also takes place at Garinger. With the help of Mrs. Fitzsimmons, Mrs. Hamilton, Miss King, Mr. Staley, and all the staff members, the Willow Tree staff has been able to produce a very successful magazine.

Deutsch Club Speaks German

Trinken Sie Bier?

Dean and Debbie take national German test.

The German Club, open to all interested students, continued this year actively. Under the leadership of Charles Vaughan, the club visited the Rheinland Haus, and went to see "Cabaret." The club also celebrated the Oktoberfest. Several advanced members participated in *A Child's Christmas* which was held in Ovens Auditorium. To enhance their lessons, the German Club views films of Germany weekly.

Nearly all club members enjoy an outing to the Rheinland Haus!

Frank Mason enjoys German meal of wurst, sauerkraut, and potatoes.

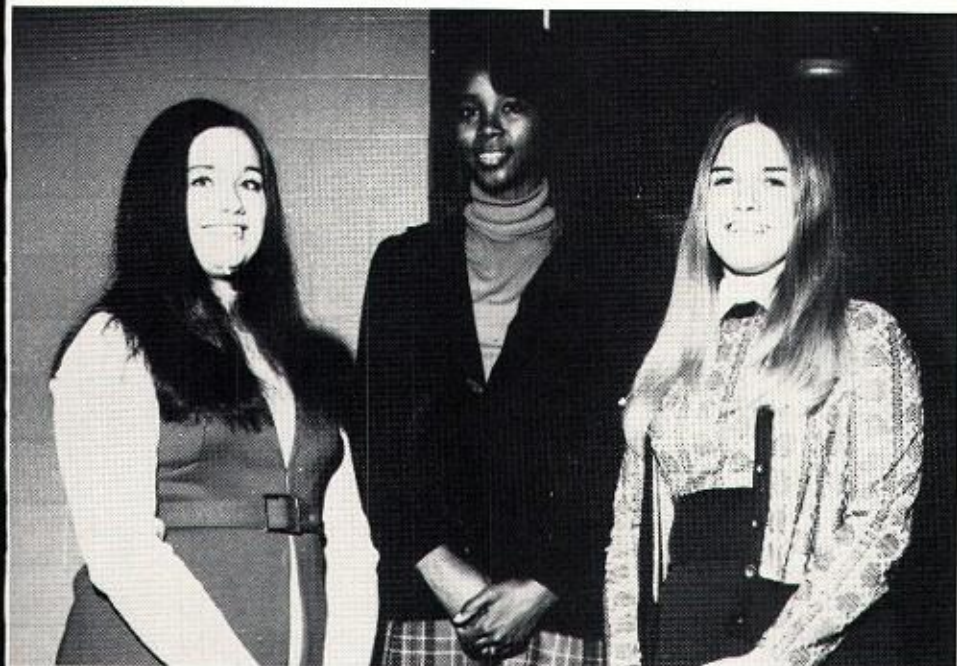

Clubs Teach Leadership

The Garinger Business Leaders is a club for business education majors. It has no state nor national affiliation. The overall purposes are to help business students develop a better understanding of themselves and the business world. Through planned activities the club feels that the business student is better able to make decisions concerning his or her future career. The club also offers a study after high school.

GBL Officers: Pam Baird, Shelia Townsend, Patti McQueen.

GBL students enjoy their business meetings.

DECA students are enthusiastic about their work.

DECA Officers: Pam Hollingsworth, Kate Meville, Bob Green, Ingrid Alksnis, Teri McKnight.

At Garinger, The Distributive Education Clubs of America is sponsored by the local Sales and Marketing Executives Club. The club involves students in professional contests, projects, and socials. Developing students for marketing and distribution is the overall objective.

Red Cross Club Helps Others

Officers: Mike Atkinson, Charles Oxendine, Kathy Holt, Sandy Edmonds, Delrie Horne, Francine Schultz, Marilyn McIlwain.

I've never seen one of those work.

The Garinger Red Cross Club works in conjunction with the Youth Services of the American National Red Cross. As an active youth organization, the club is supported by homeroom representatives and other volunteers who carry on the year's work for the benefit of others. The Red Cross activities include an enrollment drive, collection of Thanksgiving baskets to be distributed among the needy, distribution of favors at Memorial Hospital on Christmas Eve, and a blood program for the eighteen year old seniors.

Clubs Work Outside Class

I dreamed I went dancing in my HERO bra.

HERO members discuss their day at Shamrock.

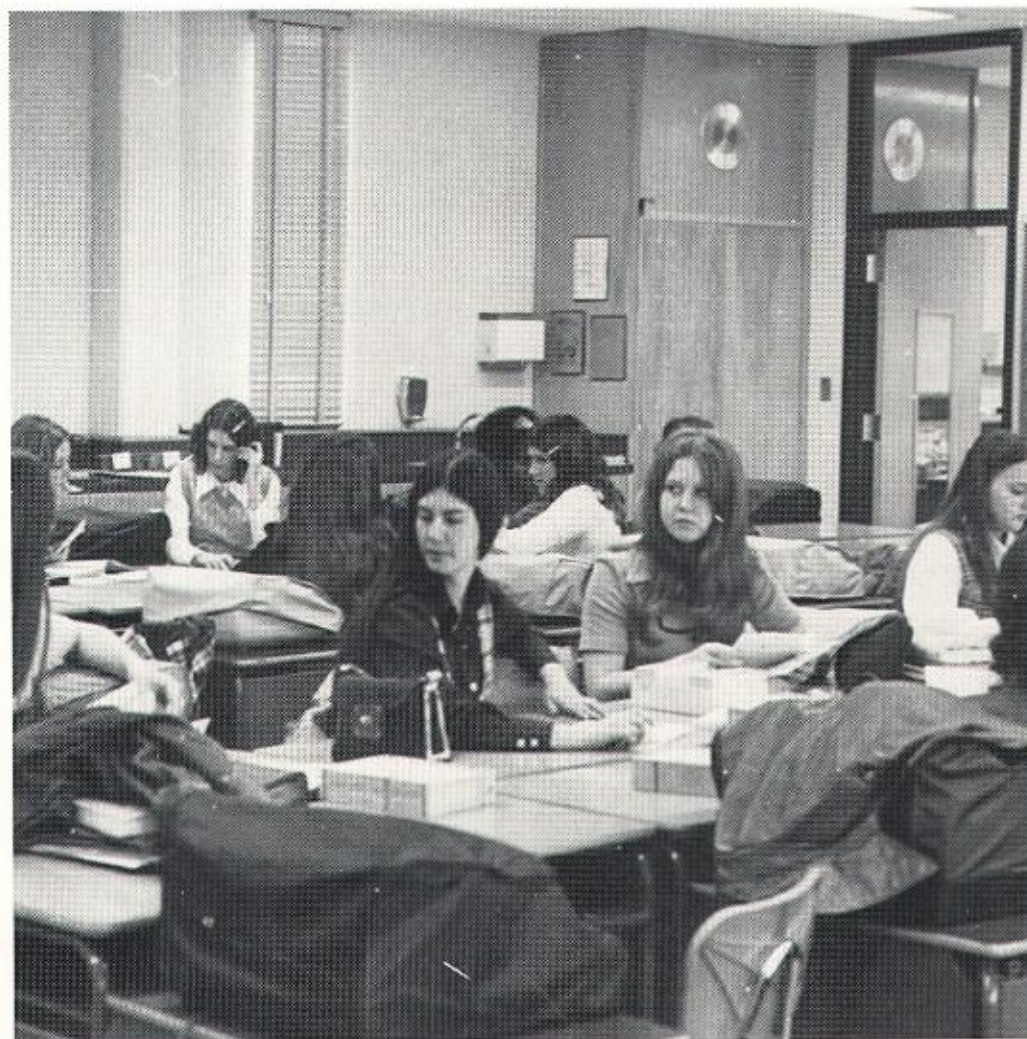

All CHEO and CEO students are members of Home Economics Related Occupations. Their programs go along with subjects being studied in class and are related to the areas in which students may be employed. A few of the subjects are clothing, foods, and child development.

COO Officers: Judy Bowers, Bobbie Hooper, Marlene Hooks, Wandra Lockhart, Diane McClellan, Betty Blythe.

It might be another one of those days for COO members.

Members of Cooperative Office Occupations are given the opportunity to mature socially by working together and sharing experiences outside the classroom. This year's club carried out quite a few projects. COO helped Big Ways "Walk for Those Who Can't," and the club was successful in helping a needy family. At Christmas, the club gave a party at Green Acres nursing home.

VICA-ICT in Civic Activities

Anyone taking a Vocational or Industrial course can join the Vocational Industrial Clubs of America. A few goals of VICA are preparing students for the world of work and developing leadership qualities through civic

activities such as helping needy families and under privileged children. The club is a national organization with its advisor Mr. Doster as chairman.

Members decorate float for Carrousel Parade.

Officers: Bobby Scott, Phil Searcy, Tim Rogers.

Hey Doster, what's that?

It's true, I tell ya!

Clubs Provide Work Experience

CHEO officers: Joyce Smith, Corine Mason, Mary Perry, Orrin Reeder, Donna Gaither, Carol Sanders.

CEO Officers: Cathy Snider, Carolyn Evans, Mary Foster, Jan Scarborough, Derek Sandifer.

Cooperative Home Economics Occupations prepares young people for work in some field of Home Economics. Depending on their interest and aptitude, students may be employed in services related to the following: Home Furnishings, Clothing, Child Care, Health & Health Management and Foods. There is one hour of classroom lessons daily and a minimum of 10 hours work experience weekly.

Yes, one of the kids at Shamrock actually bit me!

Cooperative Educational Occupations is a program opened only to seniors. It enables the student to learn about child growth and development and the teaching profession while working as a student aide. C.E.O. members work two hours each day as student aides.

Garinger's secretaries and teachers are helped each day by a number of hard-working students who are pleased to be office assistants, even though no credit is given for this time-consuming job. These students are chosen on the basis of their dependability and responsibility. They deliver bulletins, mail, answer the phone and run other various errands around the campus. Thanks for helping things run more smoothly.

Library Assistants Indispensable

Above: Nine hundred one, nine hundred two . . . Below: Yes, you owe us \$12.92!

Without the aid of assistants, the school's library program would suffer. They provide service that is indispensable. Being a library assistant can be a gratifying experience with far-reaching benefits, since each one is trained adequately to participate in the library routines. Theirs is a unique opportunity to share their expertise with fellow students and the 1973 roster is making an able contribution to a Garinger High tradition of voluntary assistance.

First row: R. Lee, B. Edwards, M. Cashion, D. Foster, V. Watson, R. Lawrence, J. Keziah, C. McLaughlin, S. Cunningham, S. Stewart; Second row: J. Kocik, L. Rosinski, J. Beasley, E. Jones, L. Williams, P. Martin, L. Smith.

Garinger has 23 students this year who have the responsibility of transporting students to and from school. These drivers do not only transport pupils from Garinger, they also drive for Cochrane, Eastway, Hawthorne, Briarwood, Merry Oaks, Plaza Road, Newell, and Shamrock. They receive one credit for each year. It takes the place of First period. Here at Garinger, the schedule coordinator is Mr. R. Cansler, who supervises the buses and drivers.

Garinger Music Department One of the Best

The Concert Band is composed of approximately 90 musicians this year. The Concert Band cooperates with the Symphonic Band to provide members for the Marching Band. As a separate entity, the Concert Band performs for the student body and public.

The Symphonic Band is an auditioned group of more advanced instrumentalists. It is the primary performing band. The group presents concerts for the student body, the general public, and is called on to play for special occasions.

Orchestra Contains 73 Members

The orchestra is composed of the traditional instrumentation for symphony orchestras. This year, 53 strings and 22 winds and percussionists participated in the orchestra program. The orchestra provides performances for the student body and public.

Is this high enough?

Upper left: A 1 and a 2 and a 1-2-3!

The 1972 season marked the initiation of open competition for twirler positions. Girls are sought who have experience with competition twirling. They are required to audition the preceding spring. Those chosen are required to attend training camps.

During the 1972 season, the Marching Band had a membership of 88 musicians, 14 lettergirls, 3 twirlers and the drum major. It appears at events requiring march and pop music in an outdoor setting. Positions are earned by audition. It is self-supporting.

Lettergirls Perform at Football Games

The Lettergirls are made up of 14 girls who are skilled in marching, precision drills, and the performance of dance routines. They are chosen by audition on the basis of their ability, after week's strenuous training.

Besides cheering at all football and basketball games, the Lettergirls also perform with the Marching Band during football half-time activities.

Chorus Open to All Students

Top: First period chorus. Bottom: Fifth period chorus.

Chorus is the only music course at Garinger open to all students. It is intended to be a first year course in vocal music and is primarily concerned with basic vocal techniques and repertory. Performances may include several joint concerts with other music groups and appearances in contests and assemblies. Students who do well in Chorus generally go into Girl's Ensemble or Choir the following year.

Choir Receives Superior Ratings

*Top: Sixth period chorus.
Bottom: Garinger choir.*

The Choir is the main performing choral group at Garinger. Composed largely of seniors, the music is more difficult, and activities are more varied. In addition to the usual assemblies, concerts, and church services, the choir takes part in state and area choral festivals in Mars Hill, U.N.C. Greensboro, Chapel Hill and Charlotte. The Choir is accustomed to leaving with high ratings in competition with other groups and consistently maintains a high morale.

Girls' Groups Enjoy Art of Music

"Now can you do your hands like this?" "Yeah, I think so."

The Sanderettes is a smaller group of approximately nine singers who sing many places where the larger choir group would not be necessary. The Sanderettes have been awarded a Superior rating in every contest they have entered. Often the Sanderettes combine with a few men in the choir to form the Garingertown Singers.

Girl's Ensemble is a selected group of girls who enjoy the art of music. Activities of the group include appearances in concerts, assemblies, churches, contests, Christmas singouts, and music festivals. A fund-raising project this year will cover a trip to "Six Flags." While there, they will have the chance to sing at a special event for Superior-rated musical groups.

Sanderettes: Ellen Wilcox, Judy Sansbury, Shelia Townsend, Debbie Tillery, Linda Fowler, Beth Steverson, Jan Keziah, Claudia Hedspeth, Libby Bass.

Thespian Society for Skilled Performers

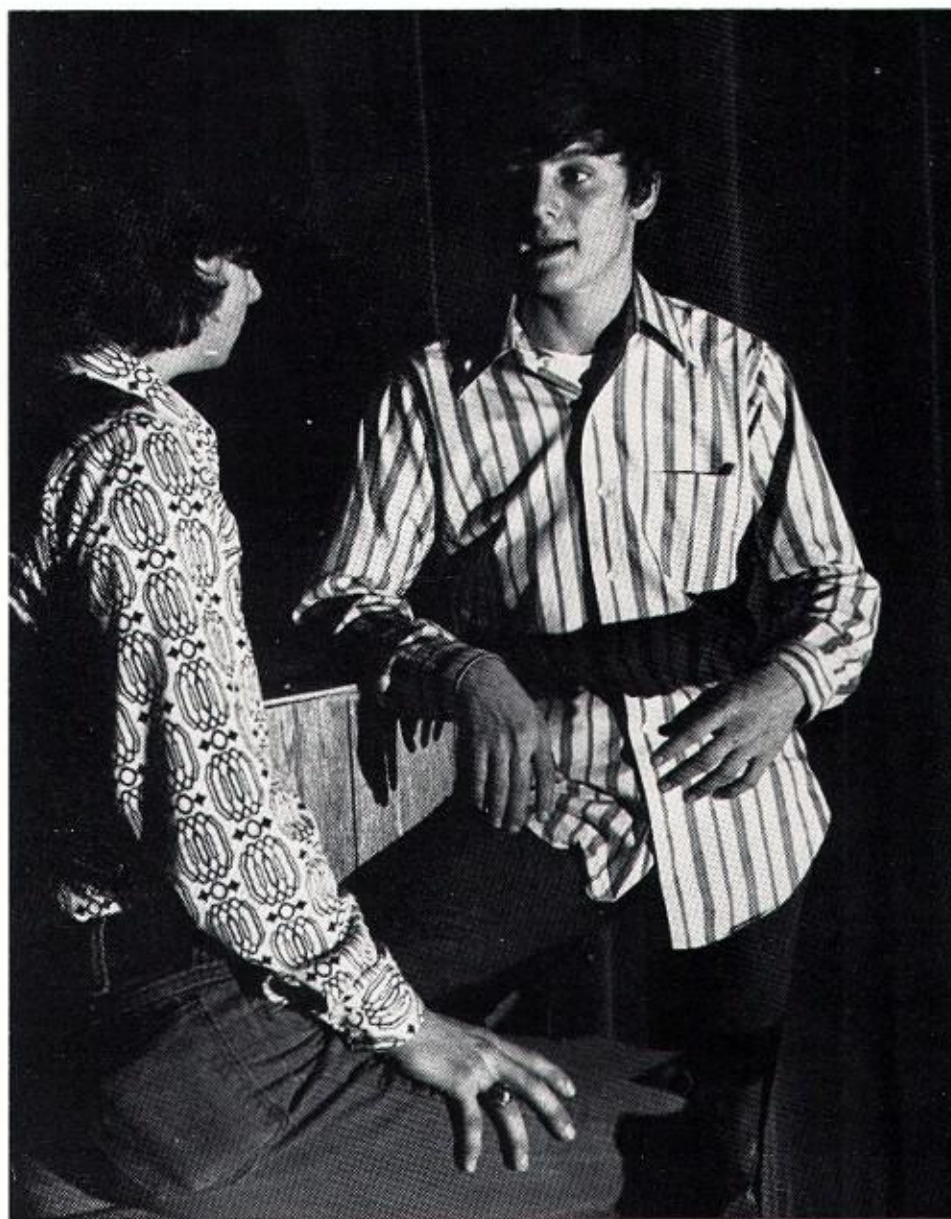

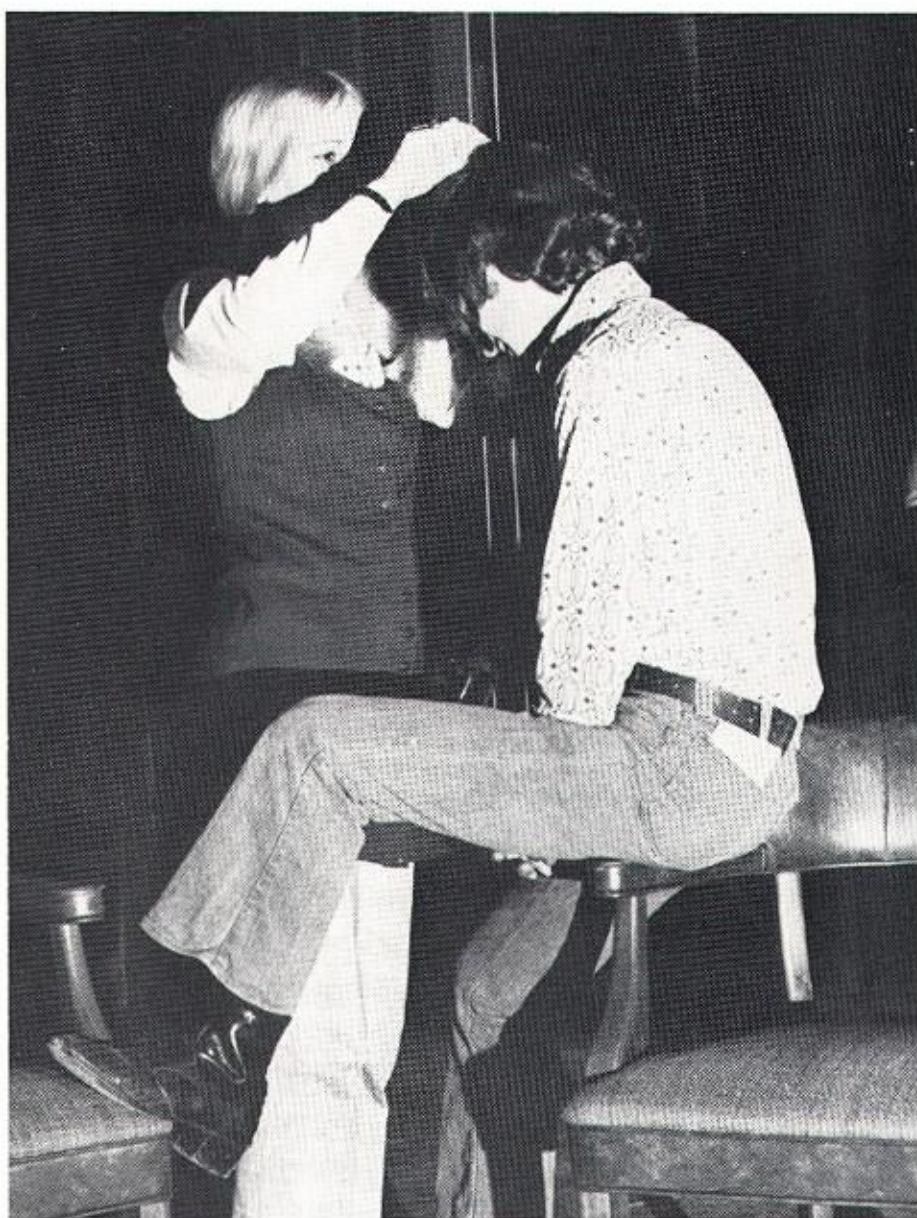

Officers: S. Fulwood, M. Gardner, B. Gardner.

The International Thespian Society is an honorary fraternity for excellence in theater arts. To gain entrance to the club, the student is granted membership for the performance of outstanding work in the theater. This work must meet the standards and requirements of the National Society and Troupe No. 3279 of Garinger. Several members competed in the District and State Drama Competition in Chapel Hill and Raleigh, and brought home top honors. Also they directed and produced *Oliver Twist* which was later televised for Educational Television.

Garingertown Players Produce Musical

"And now do you understand?" "Maybe they do, but I sure don't."

The Garingertown Players had a successful year in 1971-1972. They produced two different plays that won two different State Festival Honors. Starting with an outstanding membership, the group produced the well-known comedy, *"Up the Down Stair Case."* They will enter four plays in the North Carolina High School

Drama Festival and the Carolina Dramatic Festival. In the spring, the Garingertown Players will perform another first at Garinger — a well-known musical. This will be the first time a musical will have been produced at Garinger since Central High School.

The Radio Broadcasting Department is designed to give students background information about the broadcasting industry as well as practical experience in producing "The Wildcat Hour" once each week on such stations as WIST, WGIV, WRPL, WGGC, and WHVN. During the past summer, students assumed responsibility for broadcasting on WCGC each night from 10:05 till midnight. In addition to inviting broadcasters to visit Garinger to discuss radio, students visit local stations to observe professionals at work and to receive first-hand instruction from the broadcasters themselves.

This year the Rambler Staff has tried to provide a more interesting paper. The staff still tries to maintain its objectives by expressing school opinion, informing the public concerning school related activities, developing better inter-school relationships, and unifying and reflecting the spirit of the school. The paper is printed once a month with special editions added.

Disappointing Year For Cats

This year's Wildcat team proved to be a disappointment by winning only four of their ten games. Although there were a lot of experienced players returning, they played inconsistently. The Cats started off the season with a shutout over North, but fumbled the next game to East. Next, they had a 14-0 win over Myers Park, then dropped two in a row to South and Ashbrook. Things started looking bright again as the Cats got their third shutout of the year against Independence, but then dropped a close one to W. S. Reynolds 6-0. The Wildcats then evened their record to 4-4 with a big win over West Charlotte 35-8. However, they dropped the big game to Hickory 14-13 and finished the season with a 22-14 defeat at the hands of Hunter Huss.

Cats Devour the Rebels

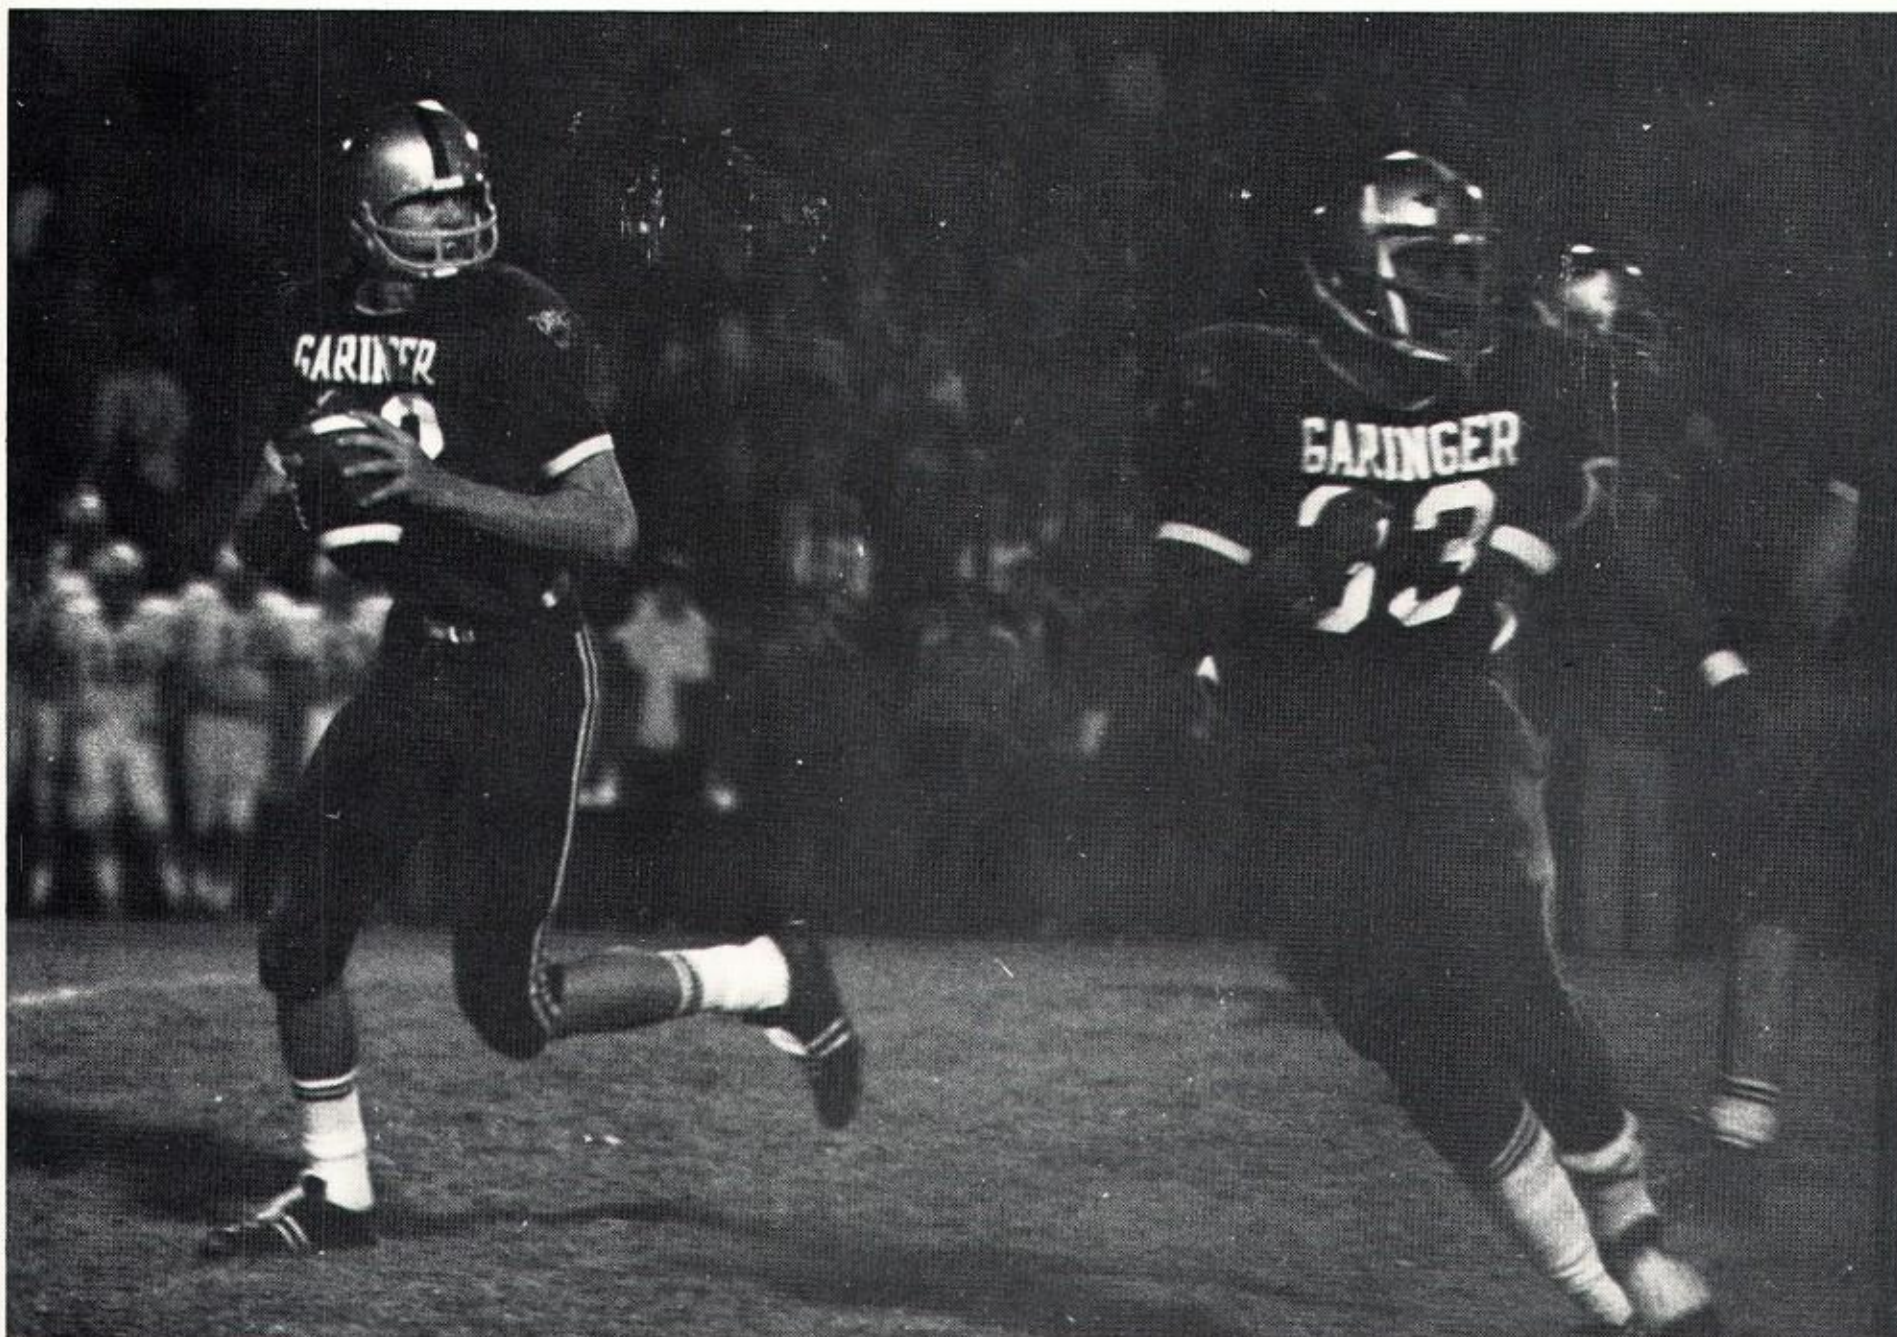

The cat's defense ate up North Mecklenburg 18-0 in winning their opening game of the season. The defense led by Butch Williams, Bub James, and Thad Allen played a major part in winning the game.

The first score came when Thad Allen blocked a punt and rambled 32 yards for the score. Bub James intercepted a pass and rushed 13 yards for the second score. Larry Anderson plunged one yard in during the fourth quarter to round out the score to 18-0.

Eagles Tame Wildcats

The cats received their first loss in one of their biggest games of the year to East Mecklenburg. Larry Anderson scored from eleven yards out to put the cats ahead 7-6 at the end of the first half. Then East started pounding the cats in the second half and forcing fumbles en route to a 20-7 victory.

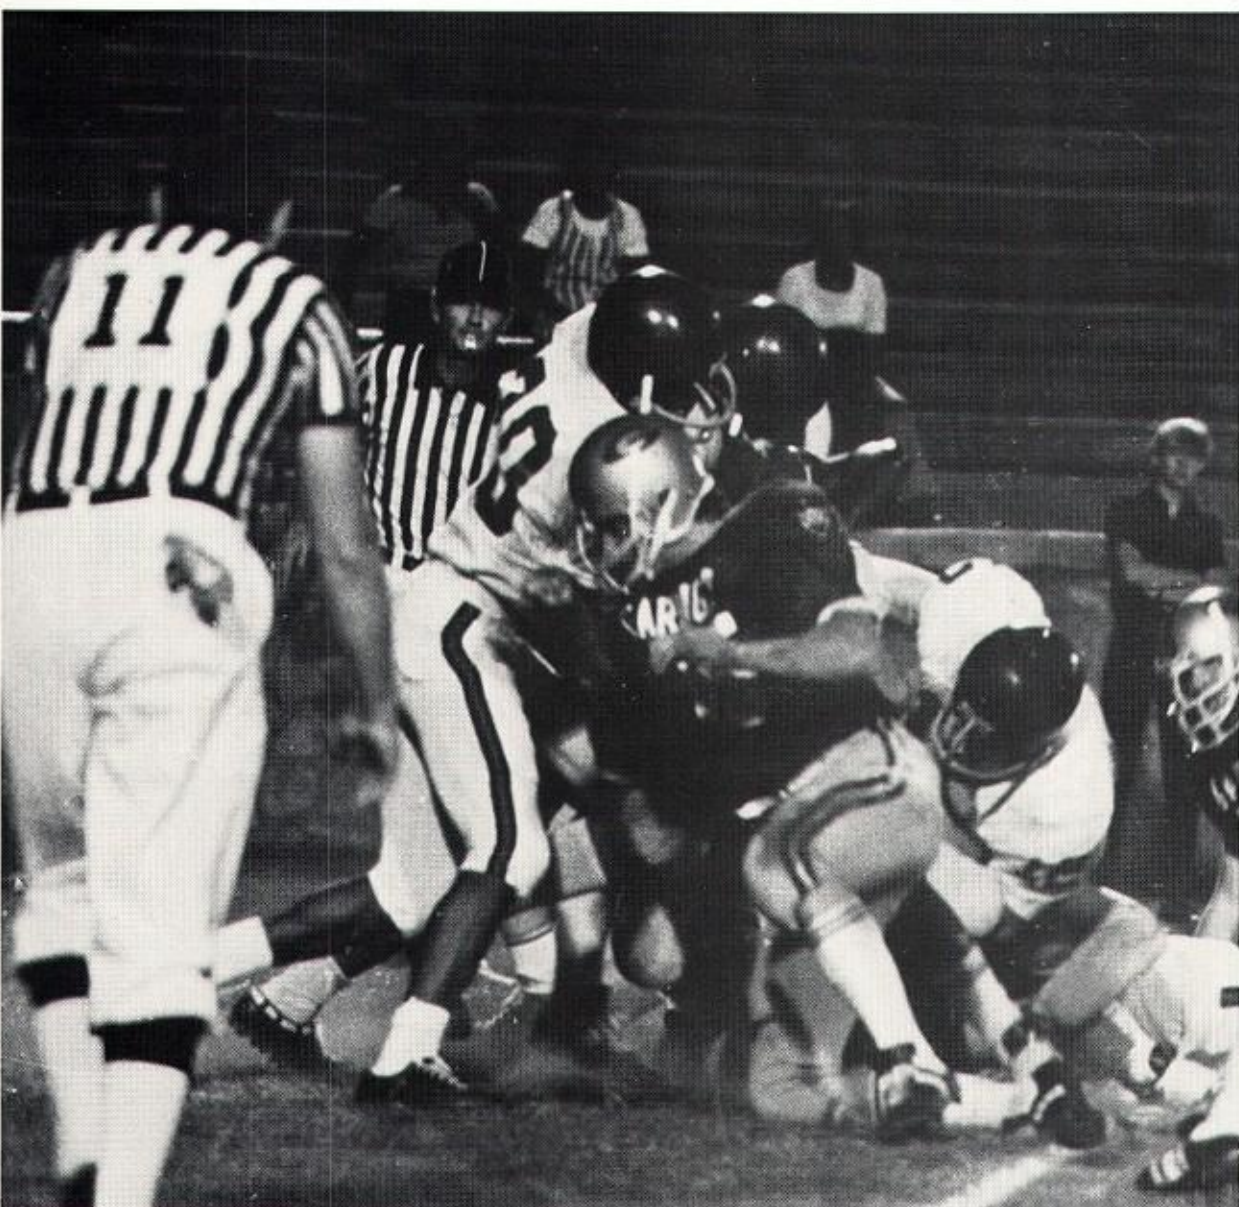

Garinger Rolls Past Mustangs

The Garinger Wildcats bounced back from a defeat to East Mecklenburg to a 14-0 win over rival Myers Park. This win improved the cats record to two wins and one loss.

Garinger's first score came as a result of a fumble by Myers Park. The Wildcats took it 37 yards in 6 plays with Terry Ware going over for the score. Later the Wildcats had a 45-yard touchdown nullified because of a holding penalty.

During the second half Terry Ware made a 46 yard run winding up the final score.

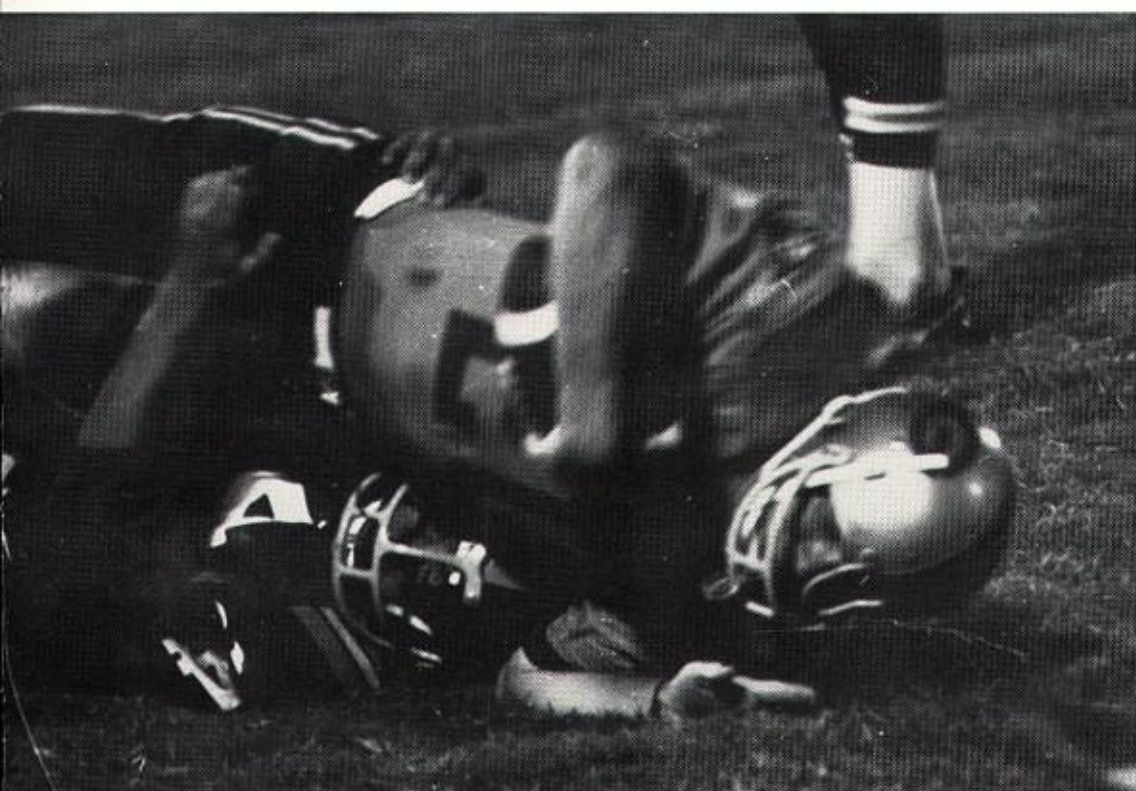

Sabres Skin Cats

Garinger got its second defeat during the fourth game of the season, in which South's Sabres rose to an unexpected victory.

The Wildcats took a 7-0 lead early in the game, but South soon took over, tying the score, then pulling ahead 14-7 in the second quarter. The Sabres slashed their way to an additional score in the last quarter to make the final score 28-7.

Garinger's scorers in the contest were Terry Ware with the touchdown and Carlyle Taylor with the extra point.

Green Wave Drowns Cats

When Gastonia Ashbrook and the Garinger Wildcats met at Memorial Stadium, the wet turf was a natural home for the Green Wave.

Throughout the game the score was tied 0-0 until the last tense 1:52 when Green Wave's halfback Jimmy Dobbins washed over the line and made the final score, ending the game with a Green Wave victory of 7-0.

Wildcats Pulverize Patriots

The Homecoming crowd was not disappointed as the Garinger Wildcats completely dominated the entire game on both offense and defense, winning 14-0.

The cats blocked a punt on the 20 and two plays later Terry Ware ran it over for the score.

The Wildcat defense kept the Patriots from getting close except one time in the game. They got the ball down to their 3 yard line, but couldn't break through the powerful cat defense.

Ware finished the scoring off with another touchdown and finished the game with a total running yardage of 181 yards by himself.

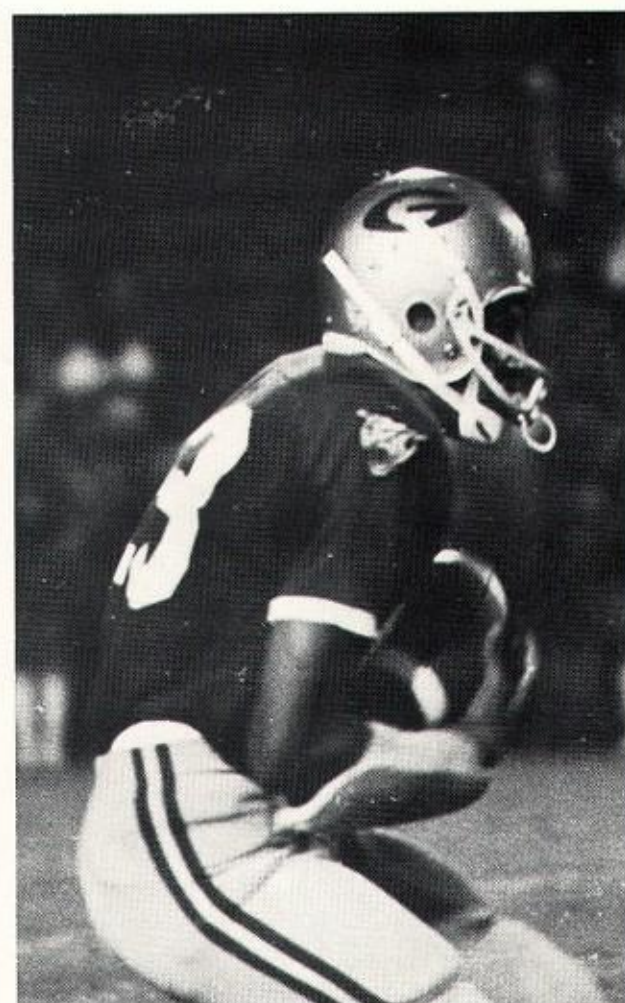

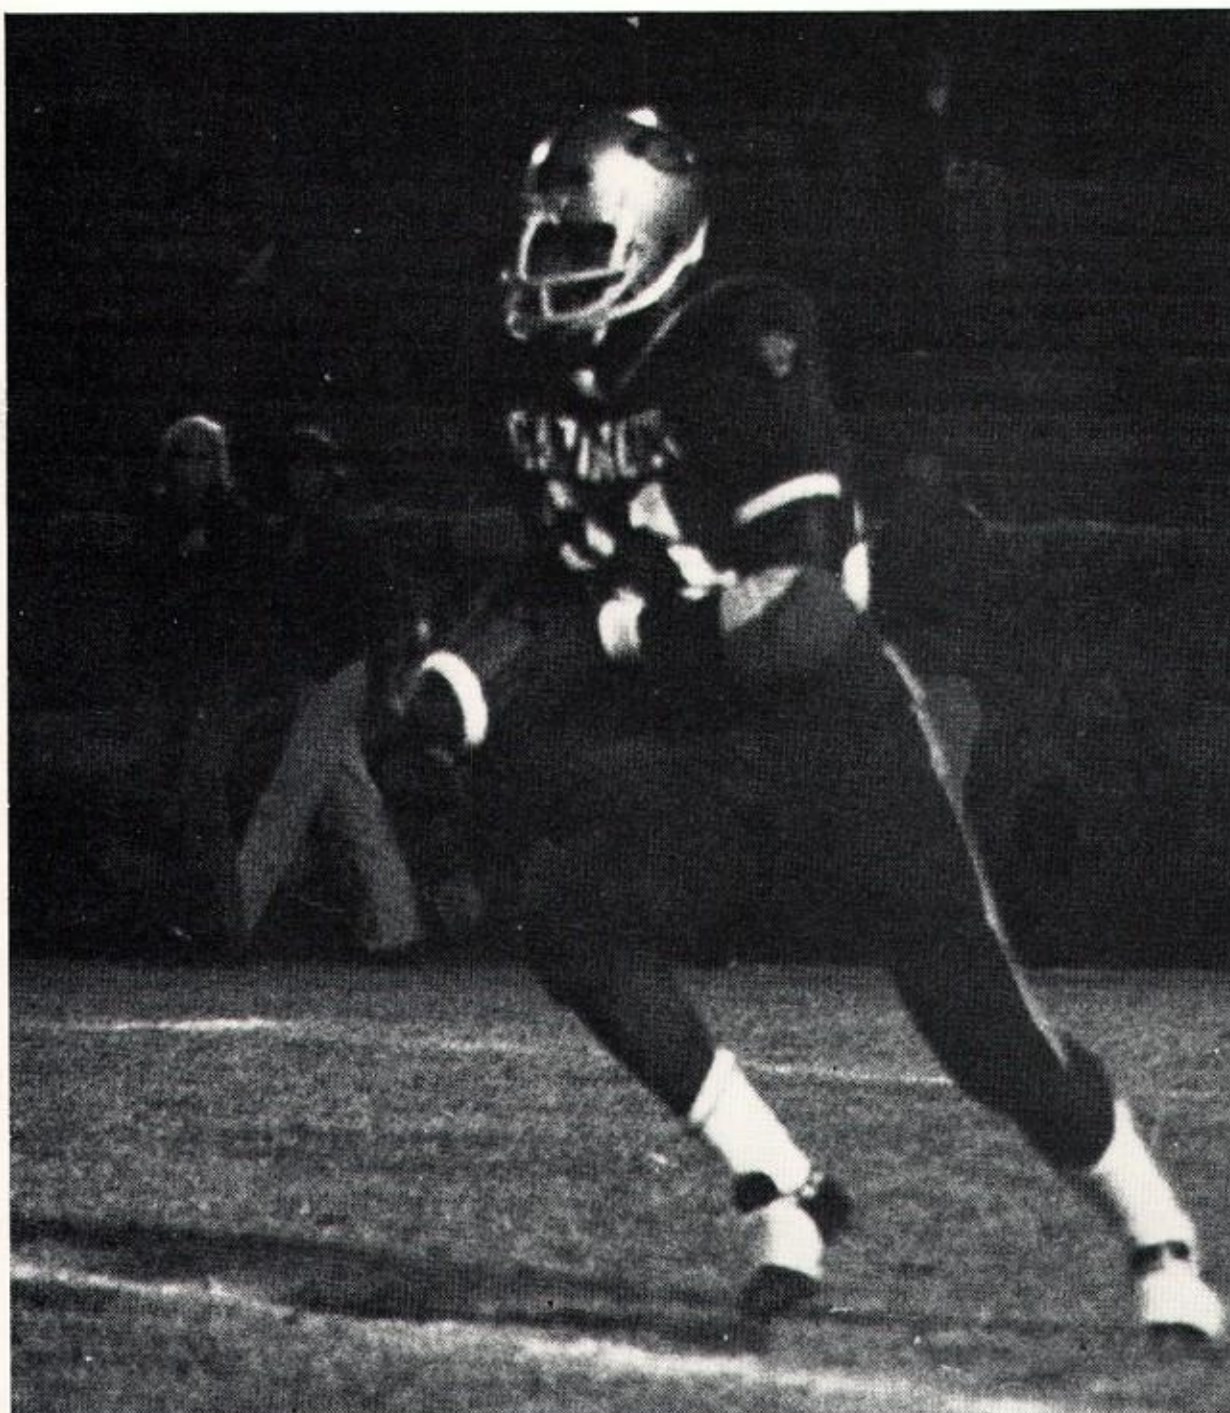

Reynolds Wraps Garinger

Winston-Salem's Reynolds High School had a 6-0 victory over Garinger with the only score coming from Reynolds in the third quarter.

During the game, Reynolds gained 189 yards, while the 'Cats took to the air nine times, making good on five, and gaining 83 yards.

The Cats' worst moment came at the end when Garinger was called for illegal motion and Reynolds for defensive pass interference, but the officials vetoed another play.

'Cats Mangle Lions

Garinger bounced back from defeat with a score of 34-8 over West Charlotte.

In the first half, the Wildcats Terry Ware supplied a pair of touchdown runs. He gained 105 yards in only nine carries.

The Lions punted against the wind and their first kick went only 10 yards.

Other scores for Garinger were made by Steve Cambria, Larry Anderson, Gary Hines, and Nate Chambers.

Hickory Smokes Garinger

With only two more games in the Wildcats' football season, Garinger lost to Hickory by a score of 14-13, by missing scoring opportunities at the Hickory 7, 14, and 18.

Garinger had led 7-6 since midway through the second quarter when half-back Larry Anderson ended a 28-yd. drive with a 2-yd. spurt over tackle for a touchdown.

Dwight Clark's 38-yd. pass to half-back Terry Ware put the Wildcats at the Hickory 25, but another pass to Ware fell short, and with only 1:11 left in the game, a brief fight broke out on the field, marring the next to the last game.

The final score was 14-13.

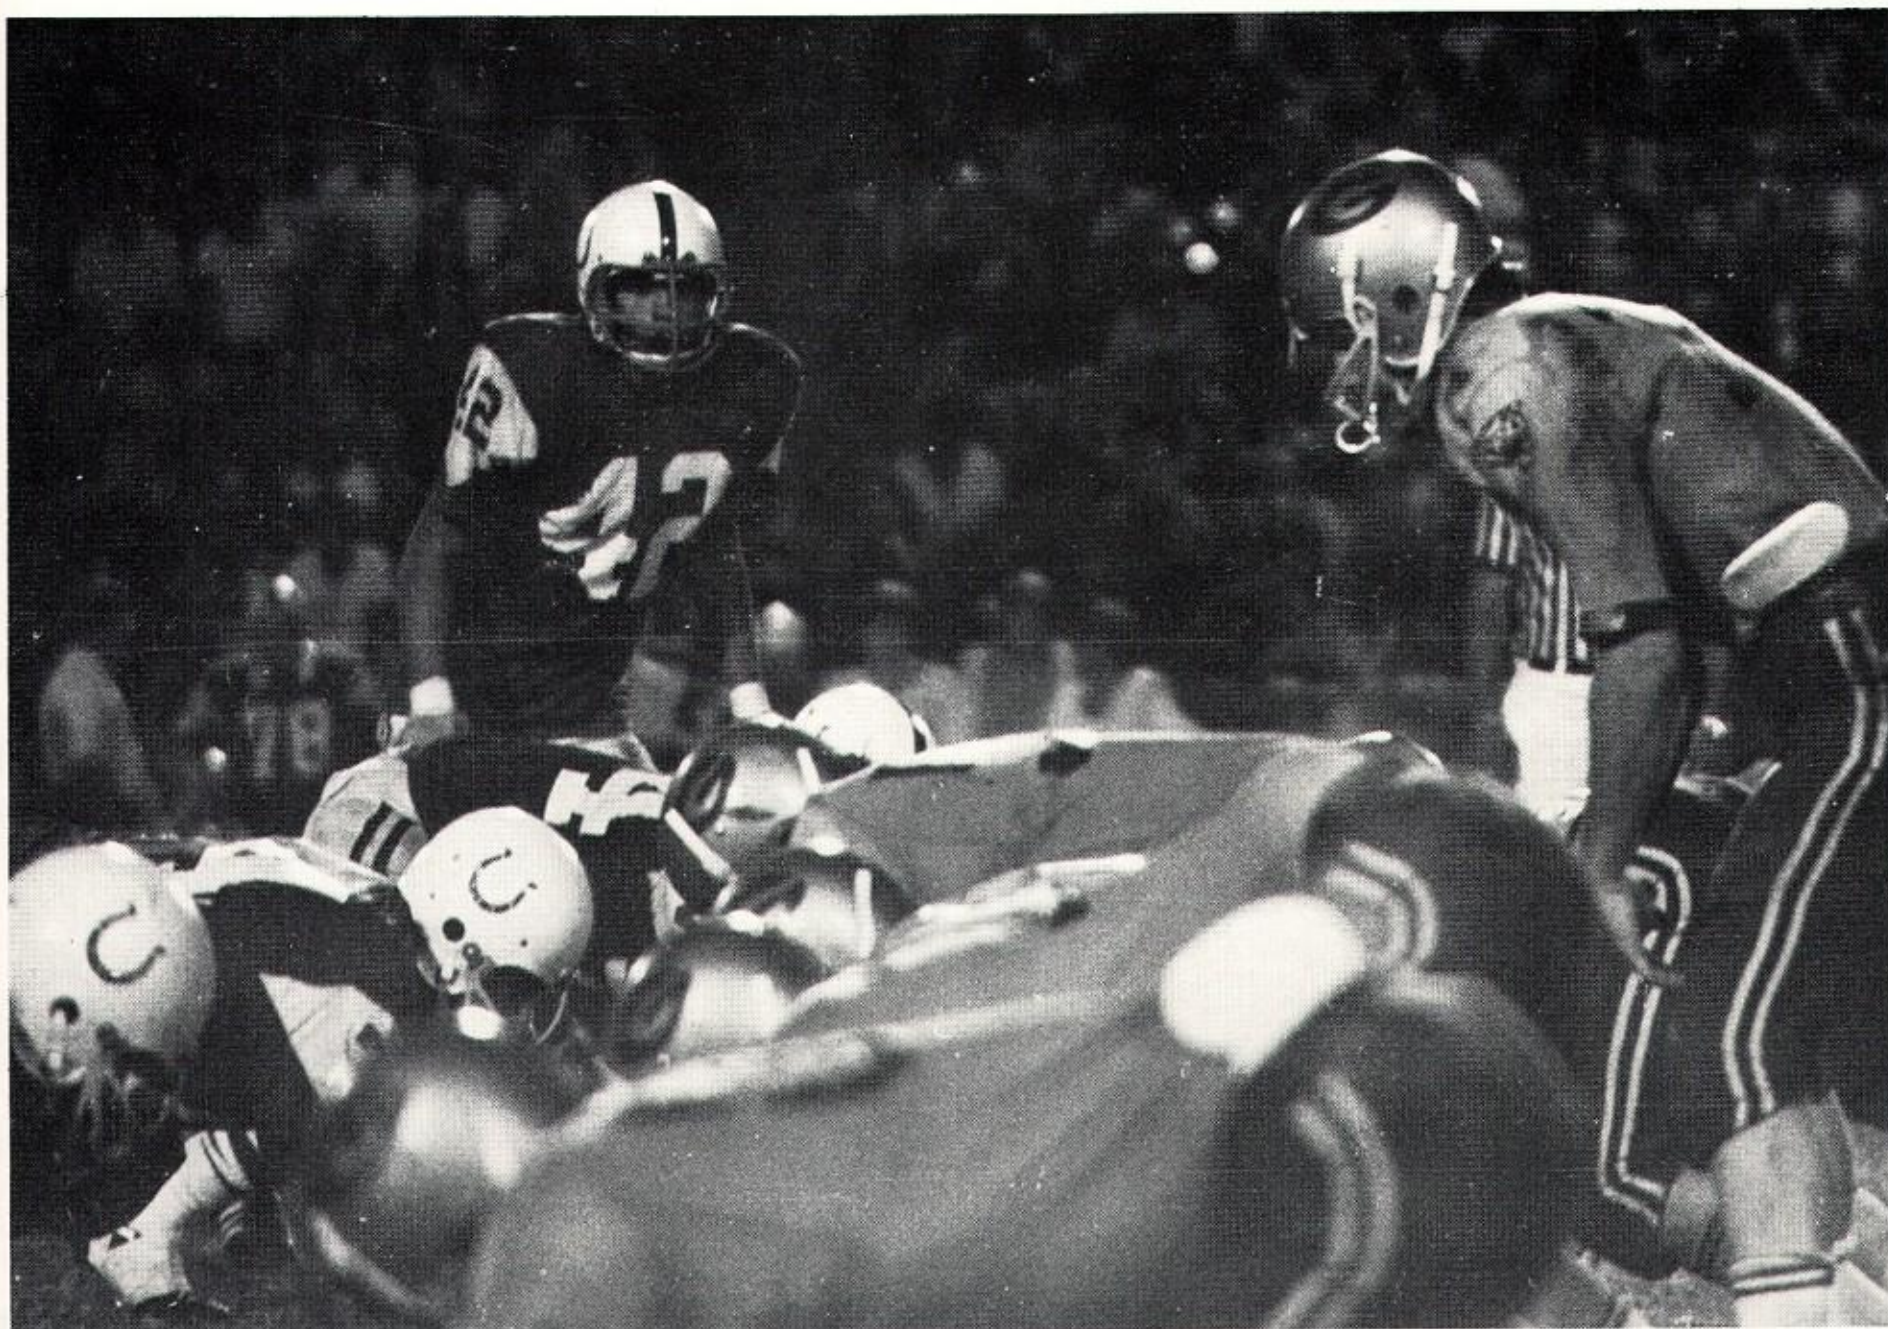

Huskies Bite Wildcats

After mid-season, the Wildcats had been steadily on the decline, while at the same time the Hunter Huss Huskies were on an uphill trek. When these forces clashed, the result was inevitable.

The Big G took a nose dive, leaving the final score at 22-14.

The Huskies had intercepted two passes and stripped Garinger for three fumbles, which contributed to their gain of 20 points in the final period.

J.V.'s Have Good Season

The Wildkittens bettered last years champions record of 7-2-1, with a 9-1 record this year.

The J.V. team experienced new leadership this year under head coach Hubert Crotts. With all the talent moving up to the varsity team, hopefully next year could have a State Champion team.

Soccer Team Improves

In it's second year at Garinger, the soccer team has shown promise of improvement. Even though the only victories were those against Concord, the unity and spirit of the team shown through even the most dismal defeats.

In addition to some of last years players some interesting new arrivals brightened up the team. They were Michael and Patrick Castrillion, from Ecuador. Patrick and Michael have been playing soccer since they were no bigger than an enchilada and have in subsequent years come to be naturals at it.

Soccer has turned out to be one of the more interesting sports Garinger has to offer, as more and more fans seem to have discovered. Team support has increased greatly since students have discovered what an unusually exciting sport soccer is.

Hopefully, next year there will be a few more victories to excite soccer fans to an even greater frenzy.

J.V.'s Have Spirit

At the beginning of the year, five cute kittens were chosen to represent the sophomore class as cheerleaders. Throughout the year, they have led the junior varsity with their cheers and spirit, adding to an interesting year.

Part way through the year, a new sparkle was added, as one of the girls left the squad. Linda Williams replaced Susan Jefferies to keep the team complete.

Bateman Leads Harriers

Although the wins experienced as a team are rewarding, in a sport like Cross Country there is more individual competition.

In spite of the fact that this year's team lacked strength as a unit, members themselves did well in competition. Tony Bateman and Joey Kalista participated in the state meet, placing 11th and 21st, respectively.

The top four men on the team, who competed in the sectional meet, were Tony Bateman, Joey Kalista, Bobby Burrell, and George Flowe. All of these except Bobby Burrell will be returning to make next year's team a big success.

Matmen Lose Only One

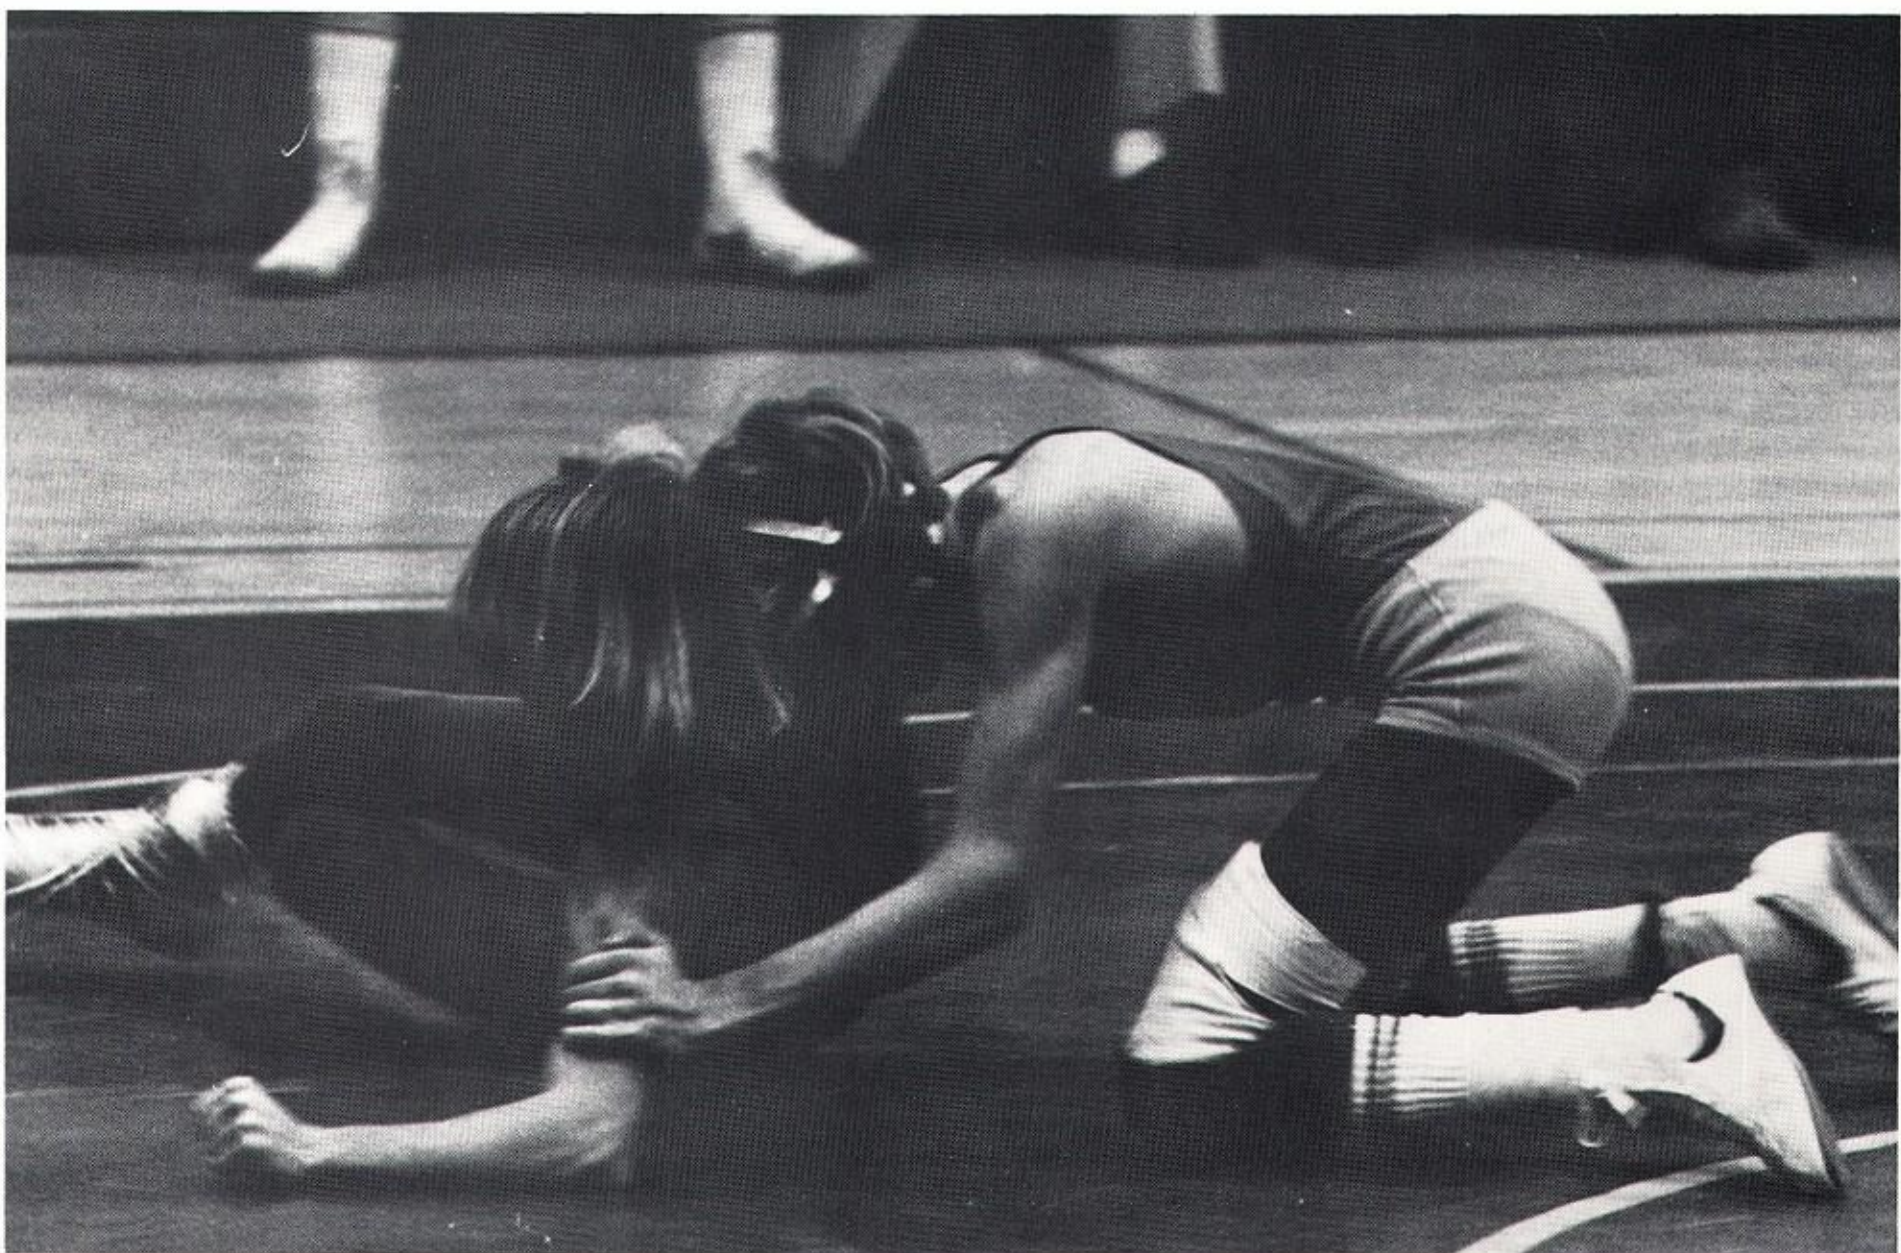

Coached by Steve Barnhardt, the big G's Matmen proved to be winners, both individually and as a team. The total score throughout the year was twelve wins as opposed to one loss. The largest margin of victory was over West Charlotte, 61-9.

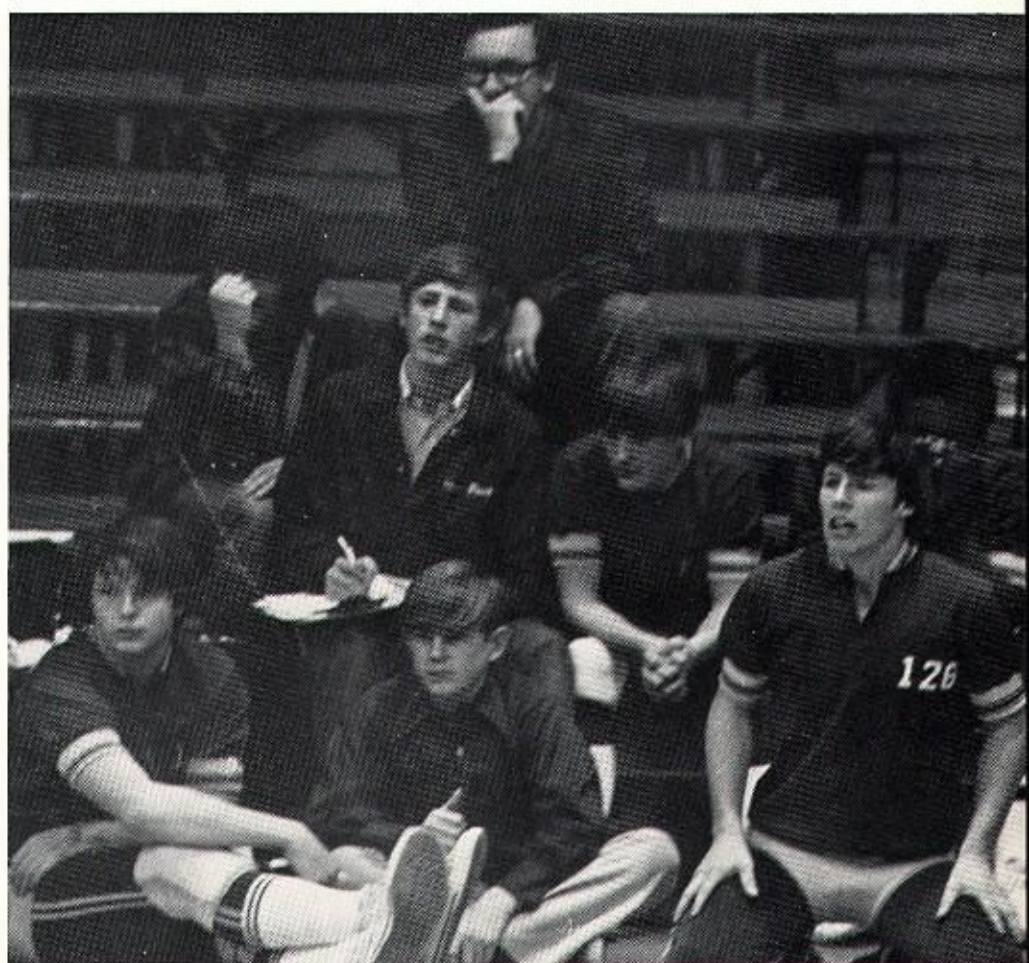

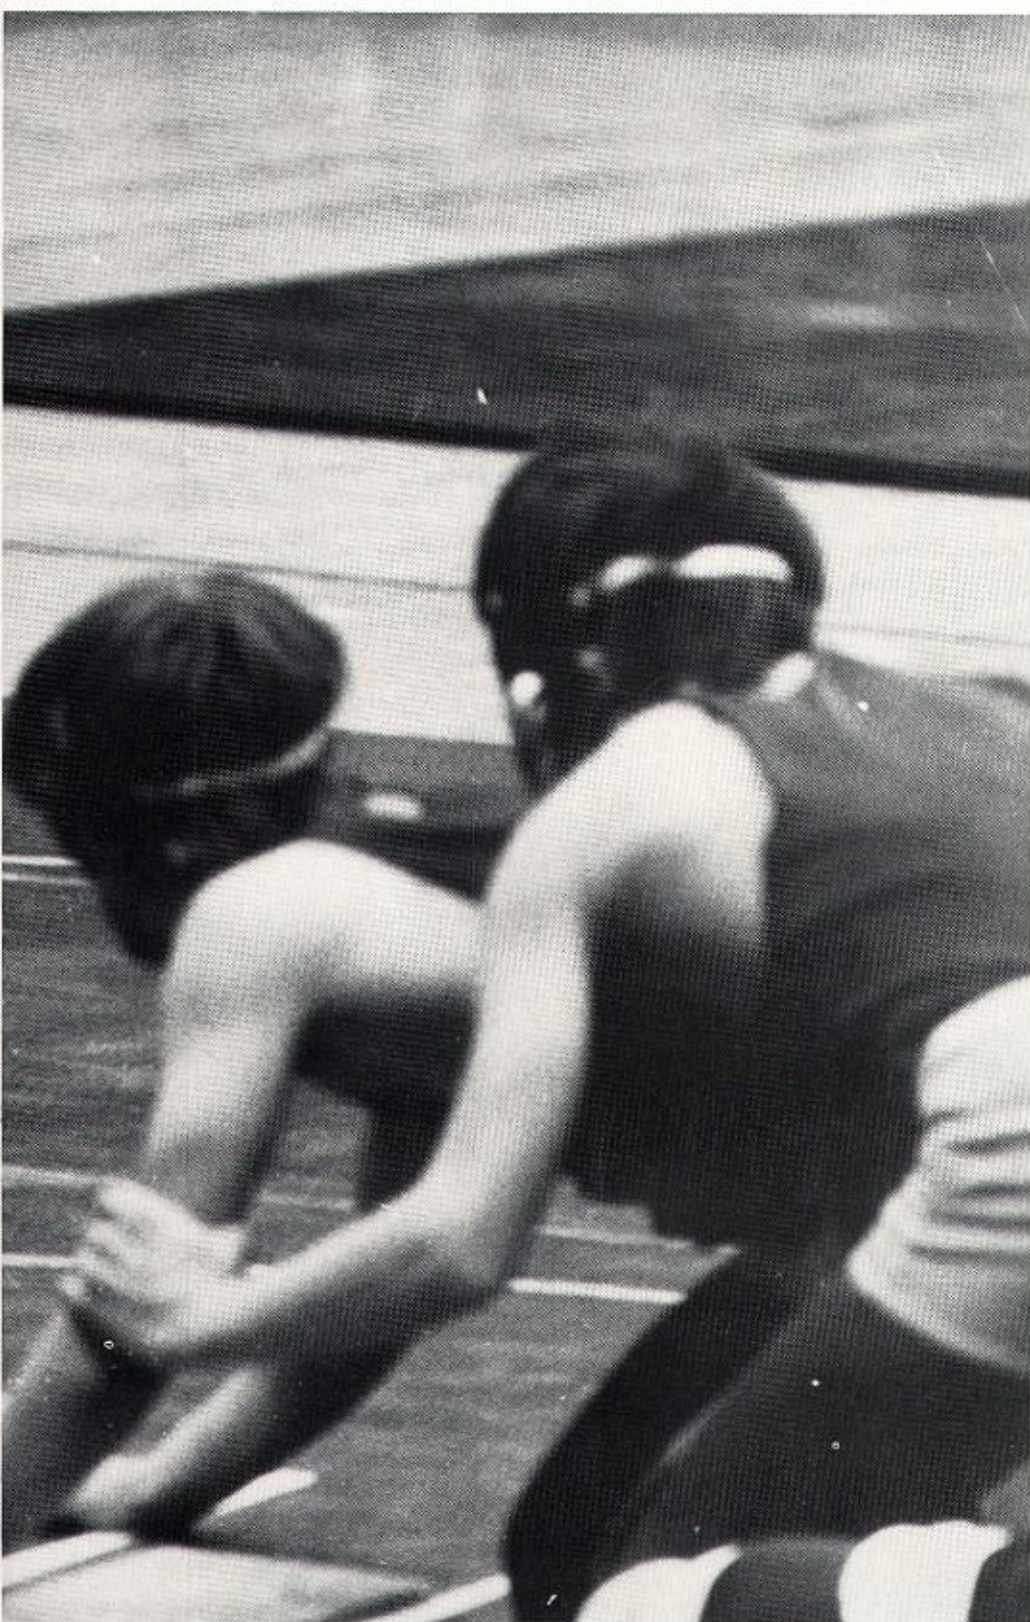

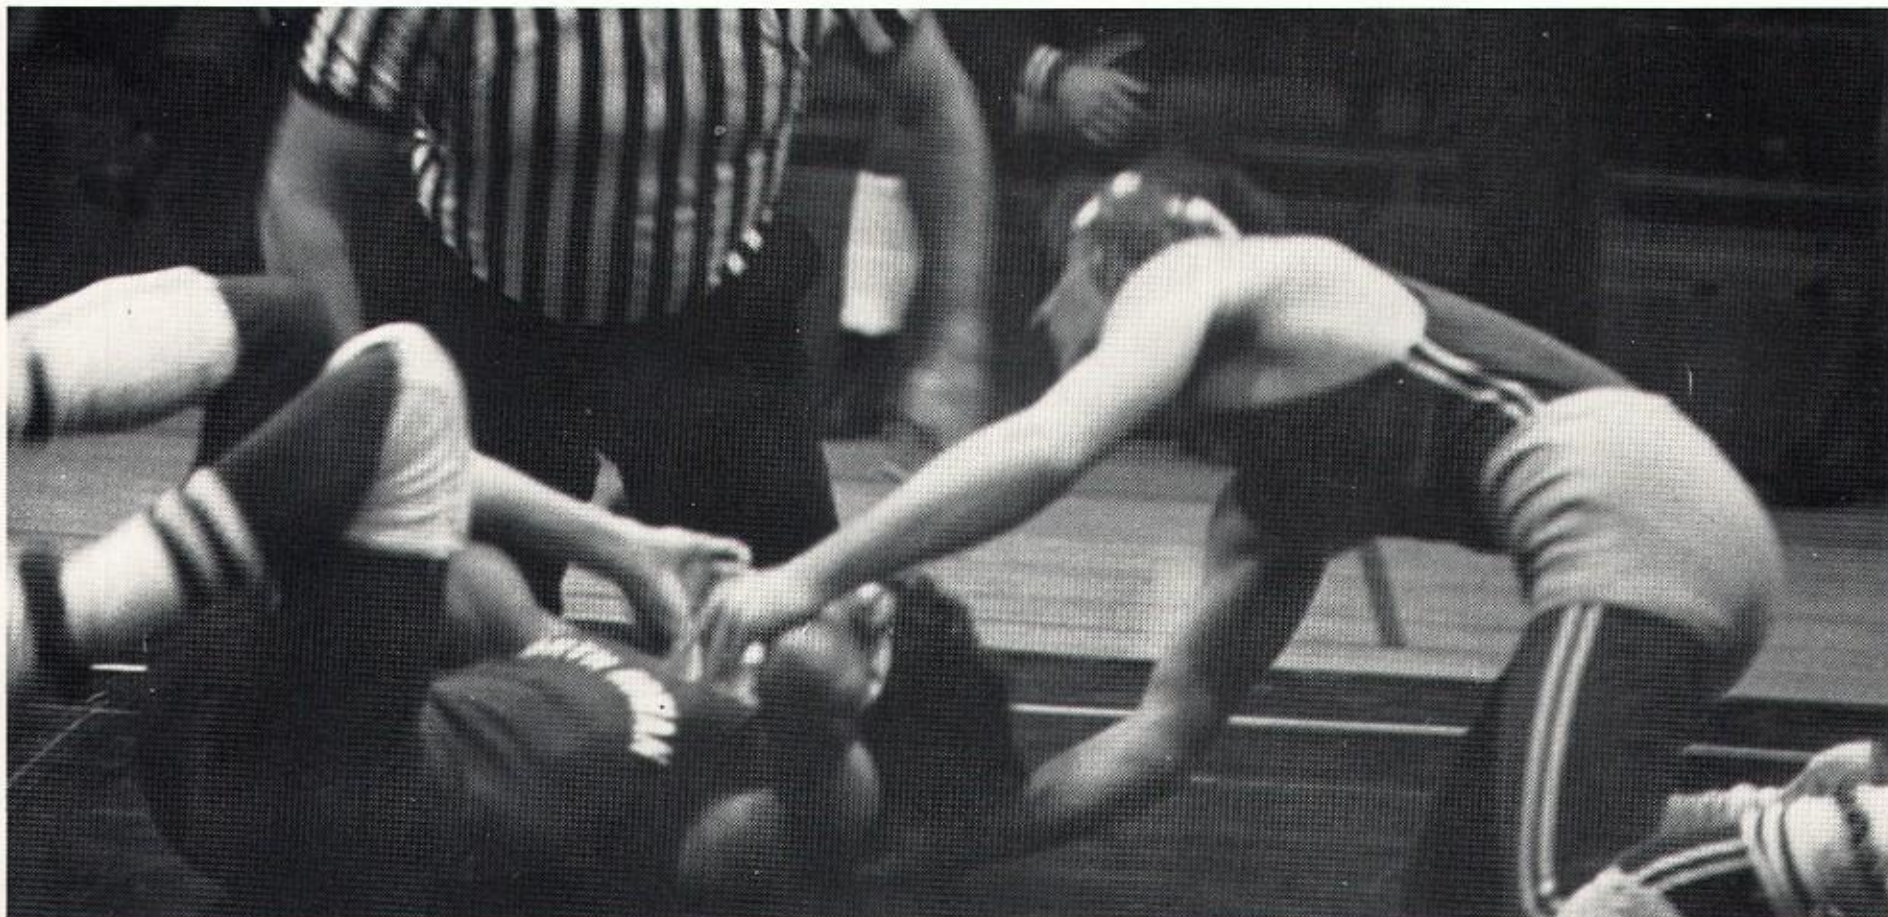

During the year, Captain Terry Morgan was injured at practice and was replaced, as captain, by Henry Nicholson. Chuck Hailey stepped in to take over for Morgan in the 195 lb. weight class.

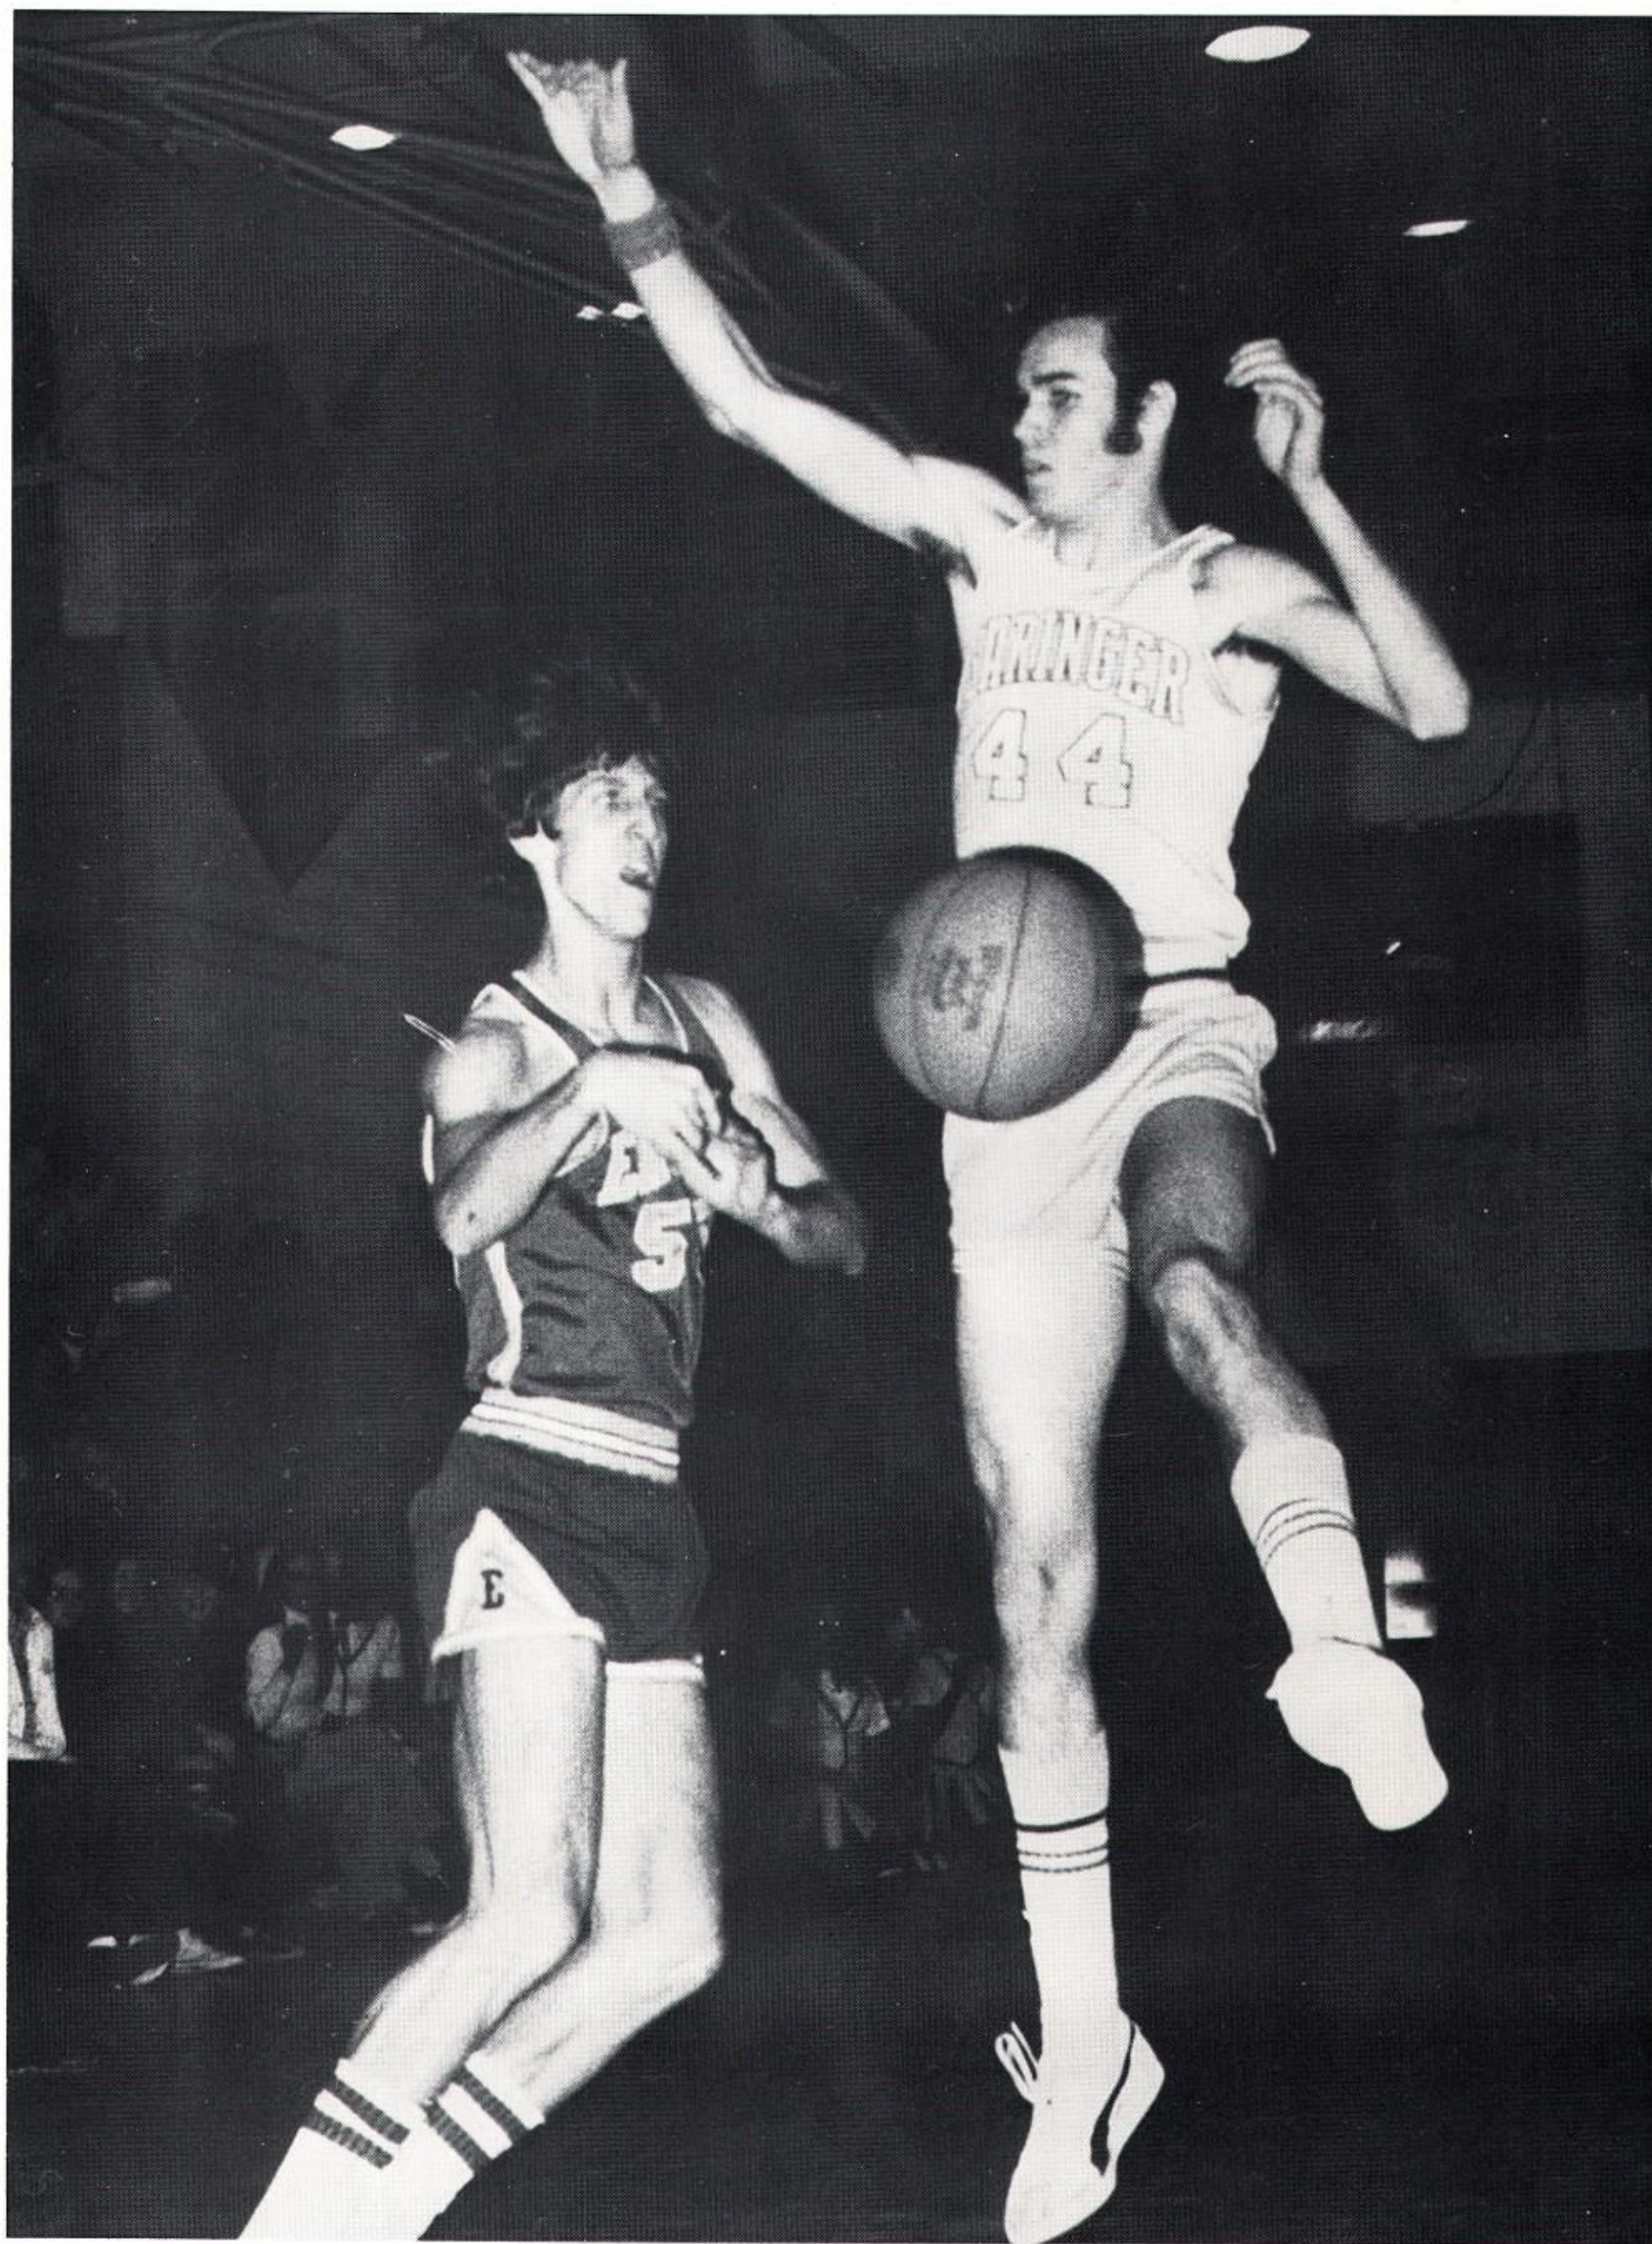

In the Invitational Tourney at East, Garinger finished second after a five game winning streak and placed third in the District Tournament. This year's team failed to produce a state champion which was somewhat of a disappointment after last year's three.

Next year will be enhanced by returning juniors such as Charlie Williams, who had the most pins; and, heavy-weight Thad Allen.

Final Basketball Score 4-17-0

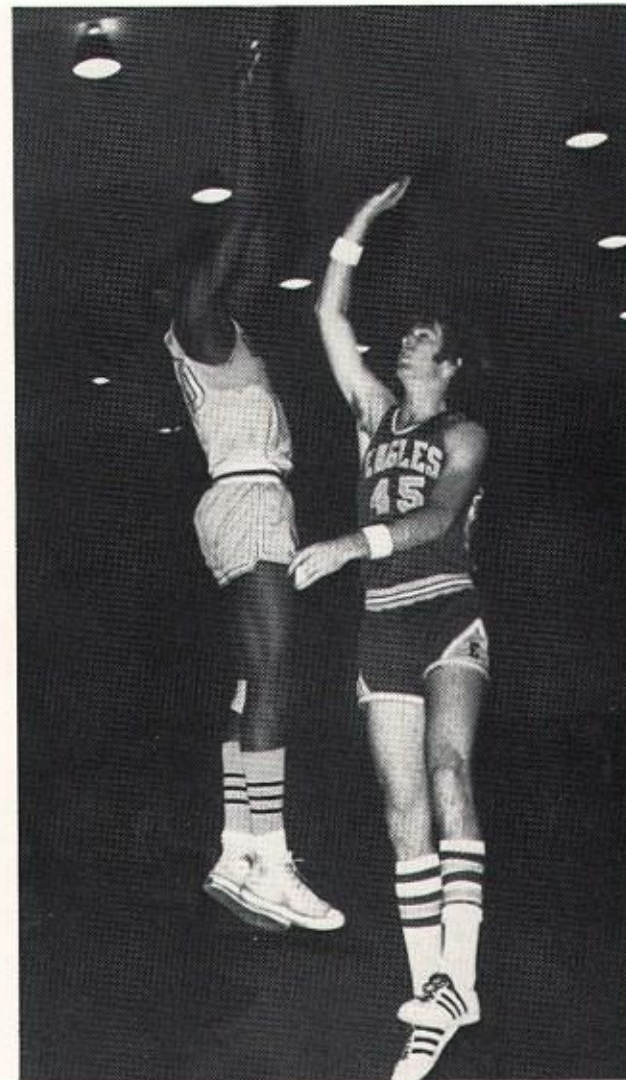

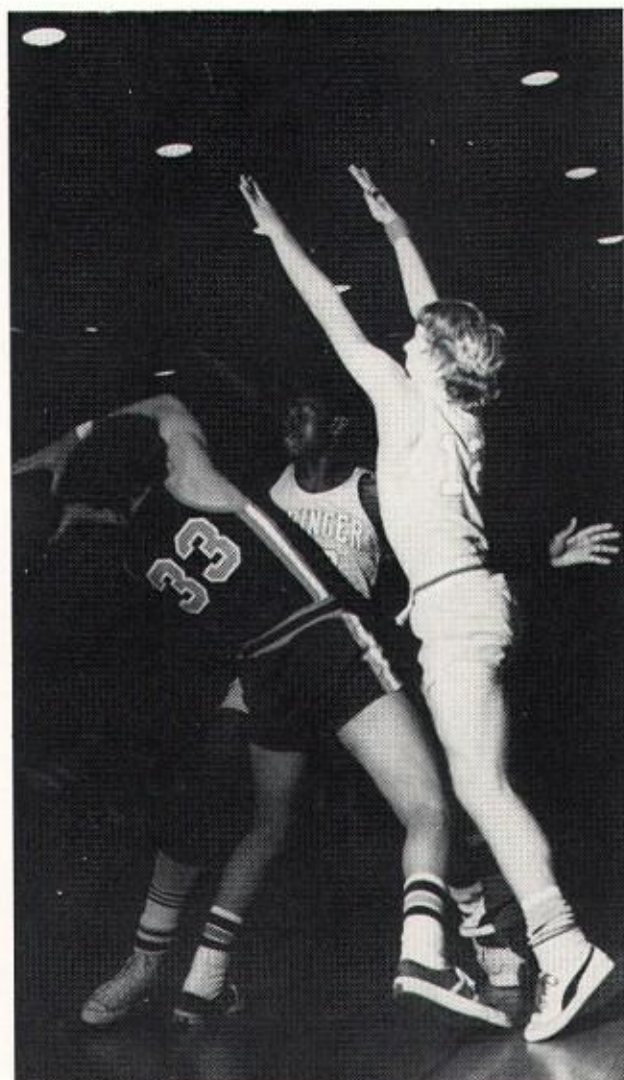

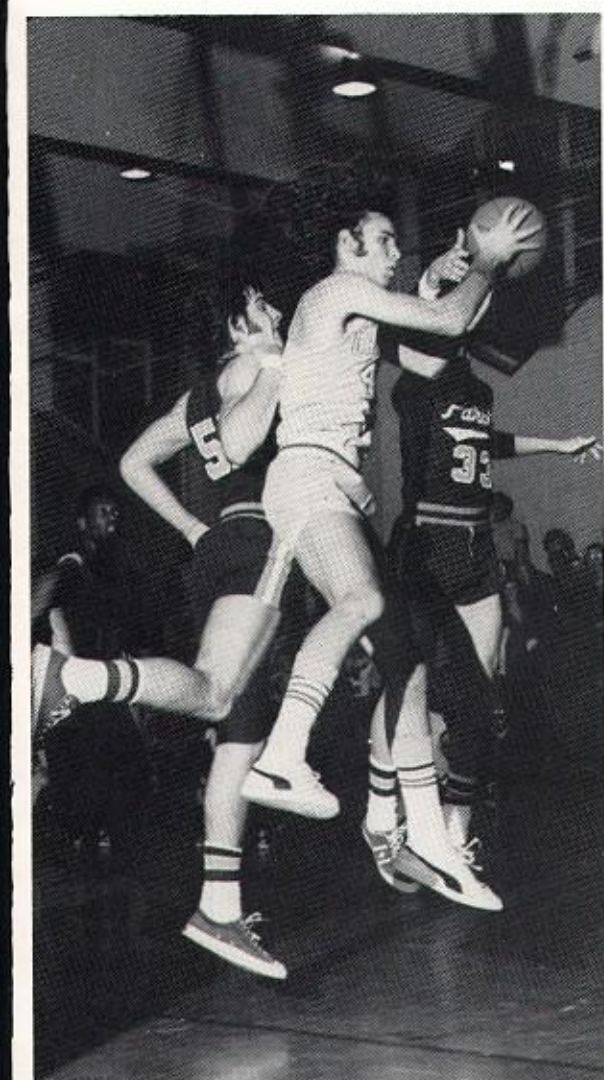

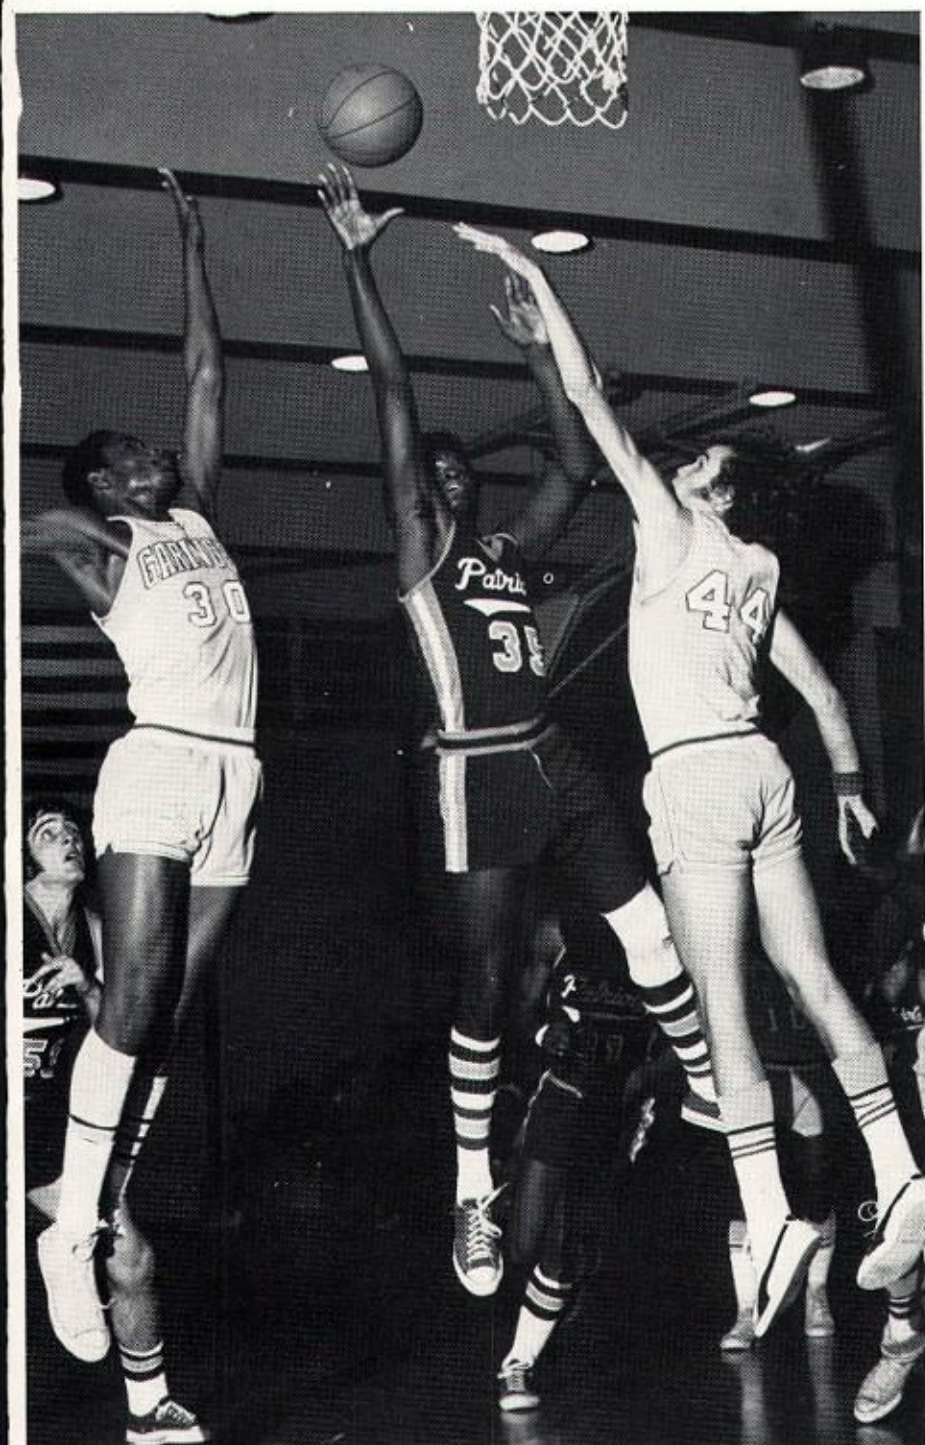

First row: Oscar Aquars, Danny Martin, Wilbur Johnson, Nate Chambers, Gary Simms. Second row: Dwight Clark, Robert Caldwell, Joey Gregory, Tony Hayes, Rufford Caldwell, Jay Curlee, Coach John Robinson.

Sophomores Help Varsity

The 1972-73 Garinger Basketball Team lacked experience this year as they won only four games out of twenty-one. The Cats had only two starters returning, Wilbur Johnson and Joey Gregory. The Cats were under the leadership of a new Coach John Robinson who replaced Hank Madden. Hopefully Coach Robinson can work with this years J.V. team next year in building a winner.

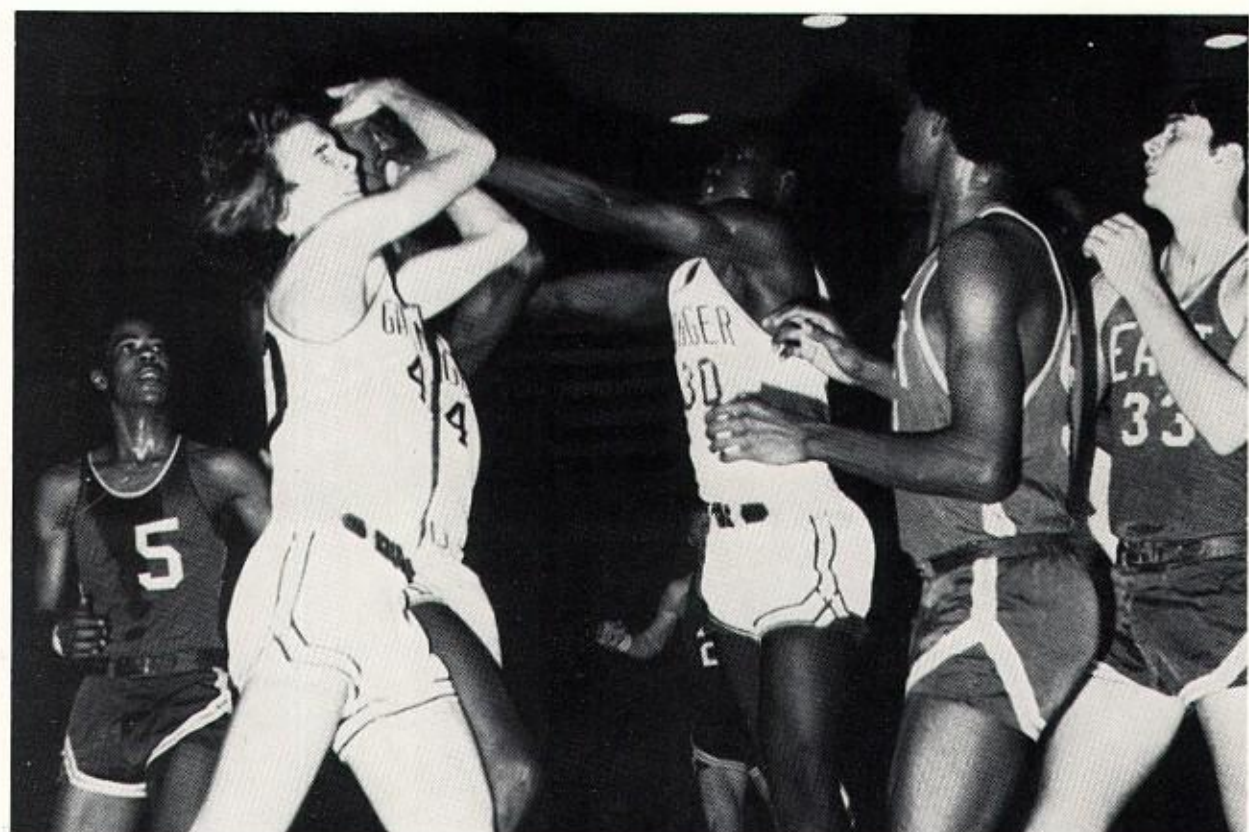

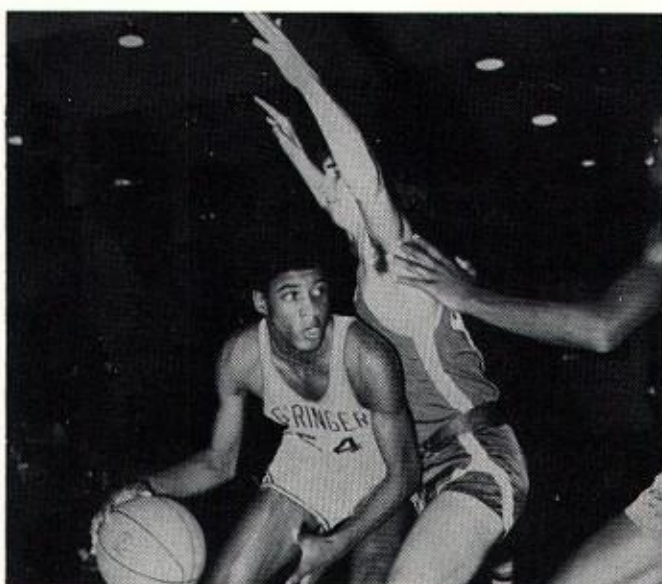

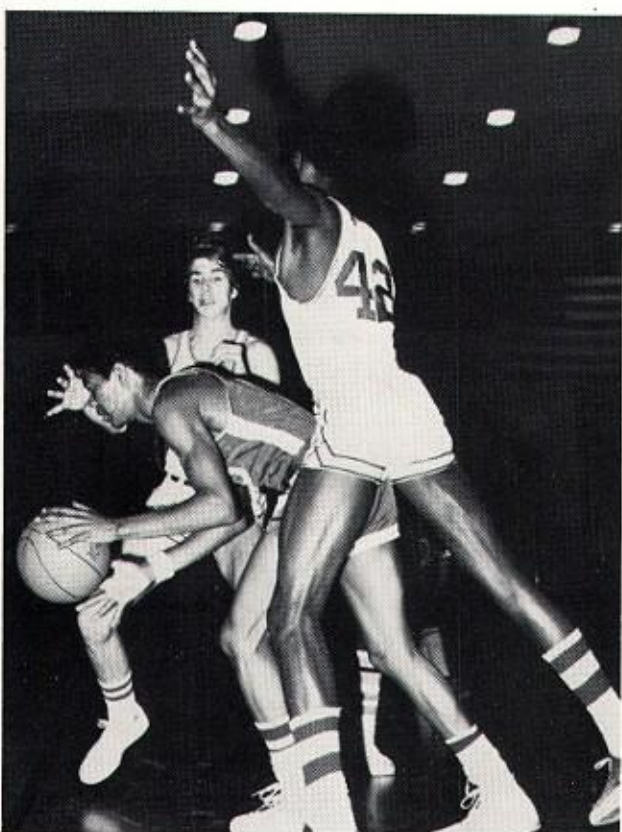

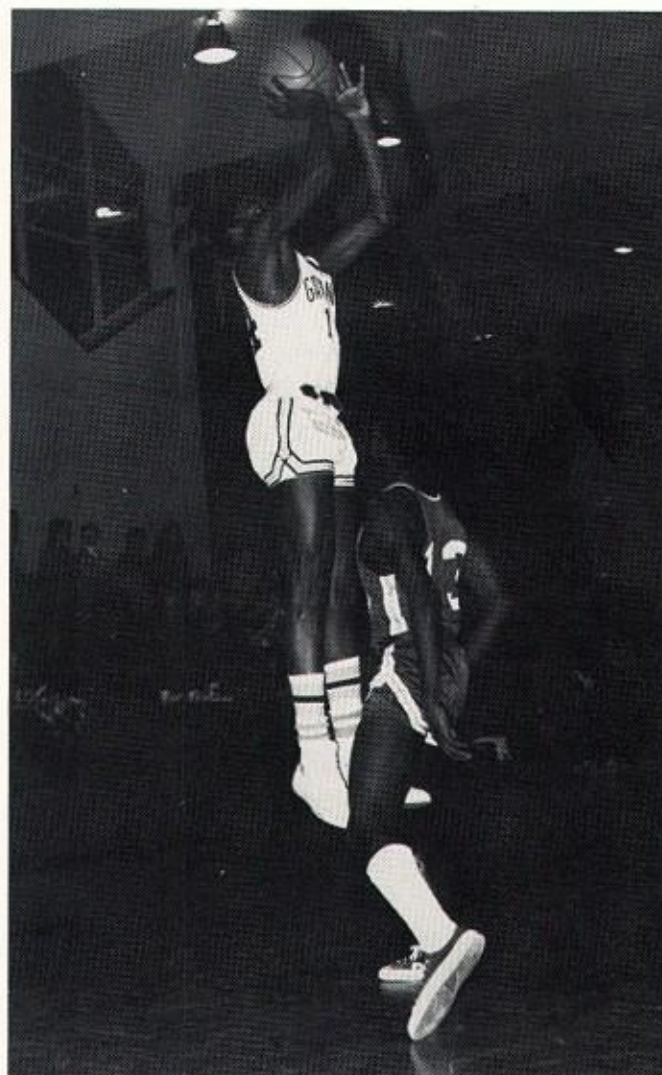

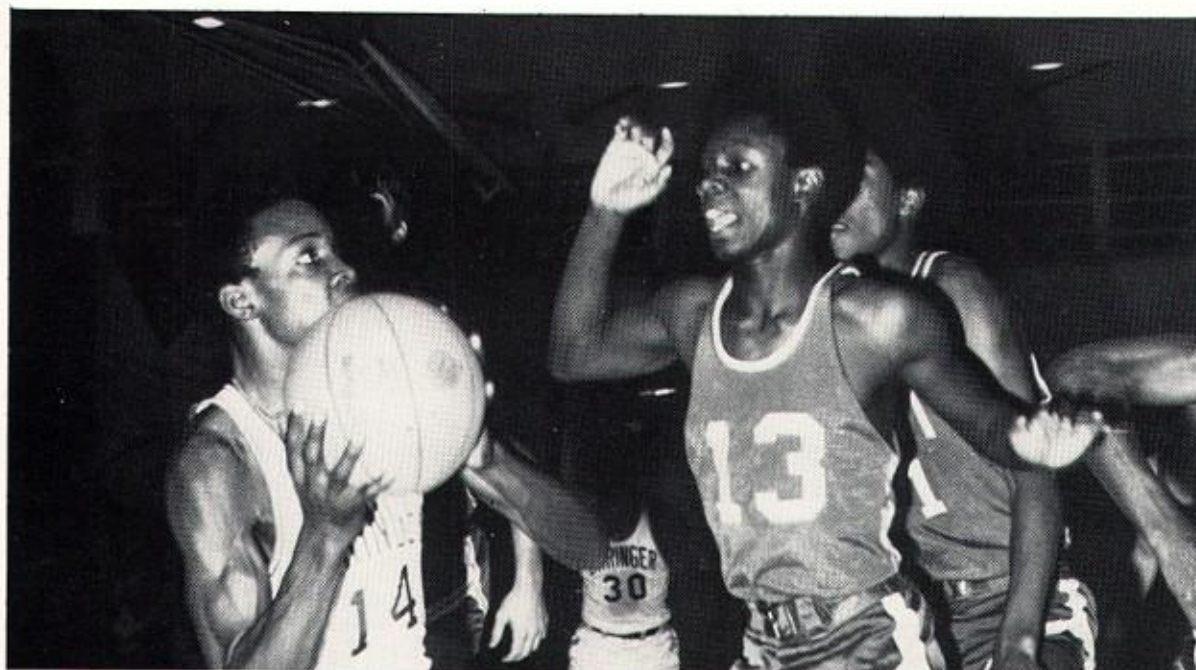

J.V.'s Have Winning Season

This year the top five kittens were moved up to the Varsity, but the J.V. team still enjoyed a good year. The kittens final record was 14-9-0 and they ended up in third place in the final tournament. With so much young talent already on the varsity and with the talent moving up, next year may produce the best team ever.

first row, Ivan Witherspoon, Terry Stewart, Joe Thomas, Sam Hollos, Duke Craig, Richard Burton, Willie Kay, second row, Reggie Irby, Steve Bass, Keith Lindsey, Aaron Atlantis, Kip Frassa, Jeff Collins

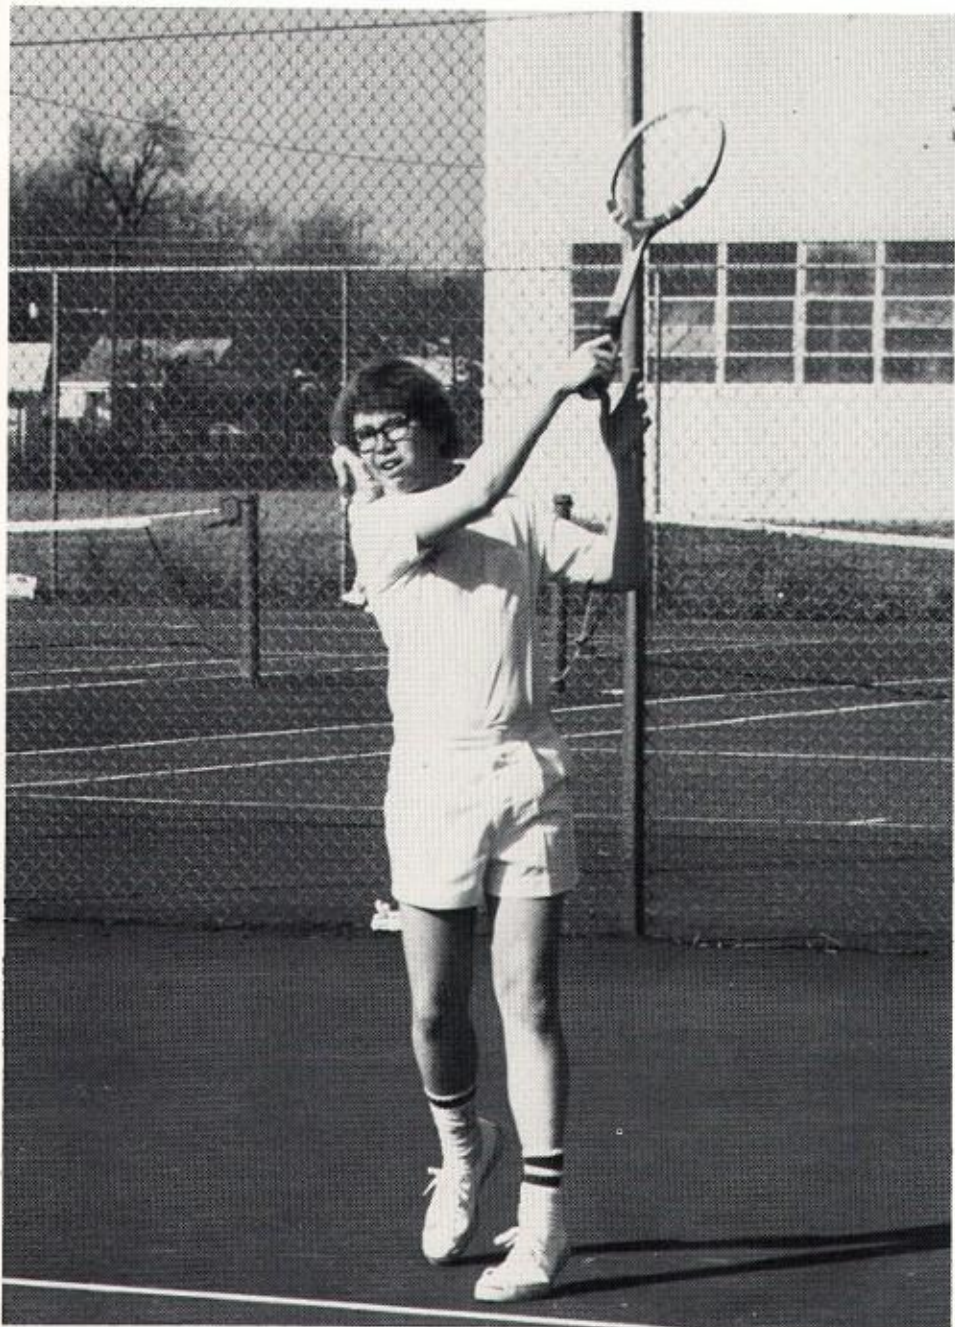

Netters Look for Good Season

This year is expected to be an exciting one on the courts, due to both a fine coach and hard-working team members. Many who played excellently last year will be coming back to add to this year's talent.

Hopefully, the season will bring out many fans to discover how interesting tennis is.

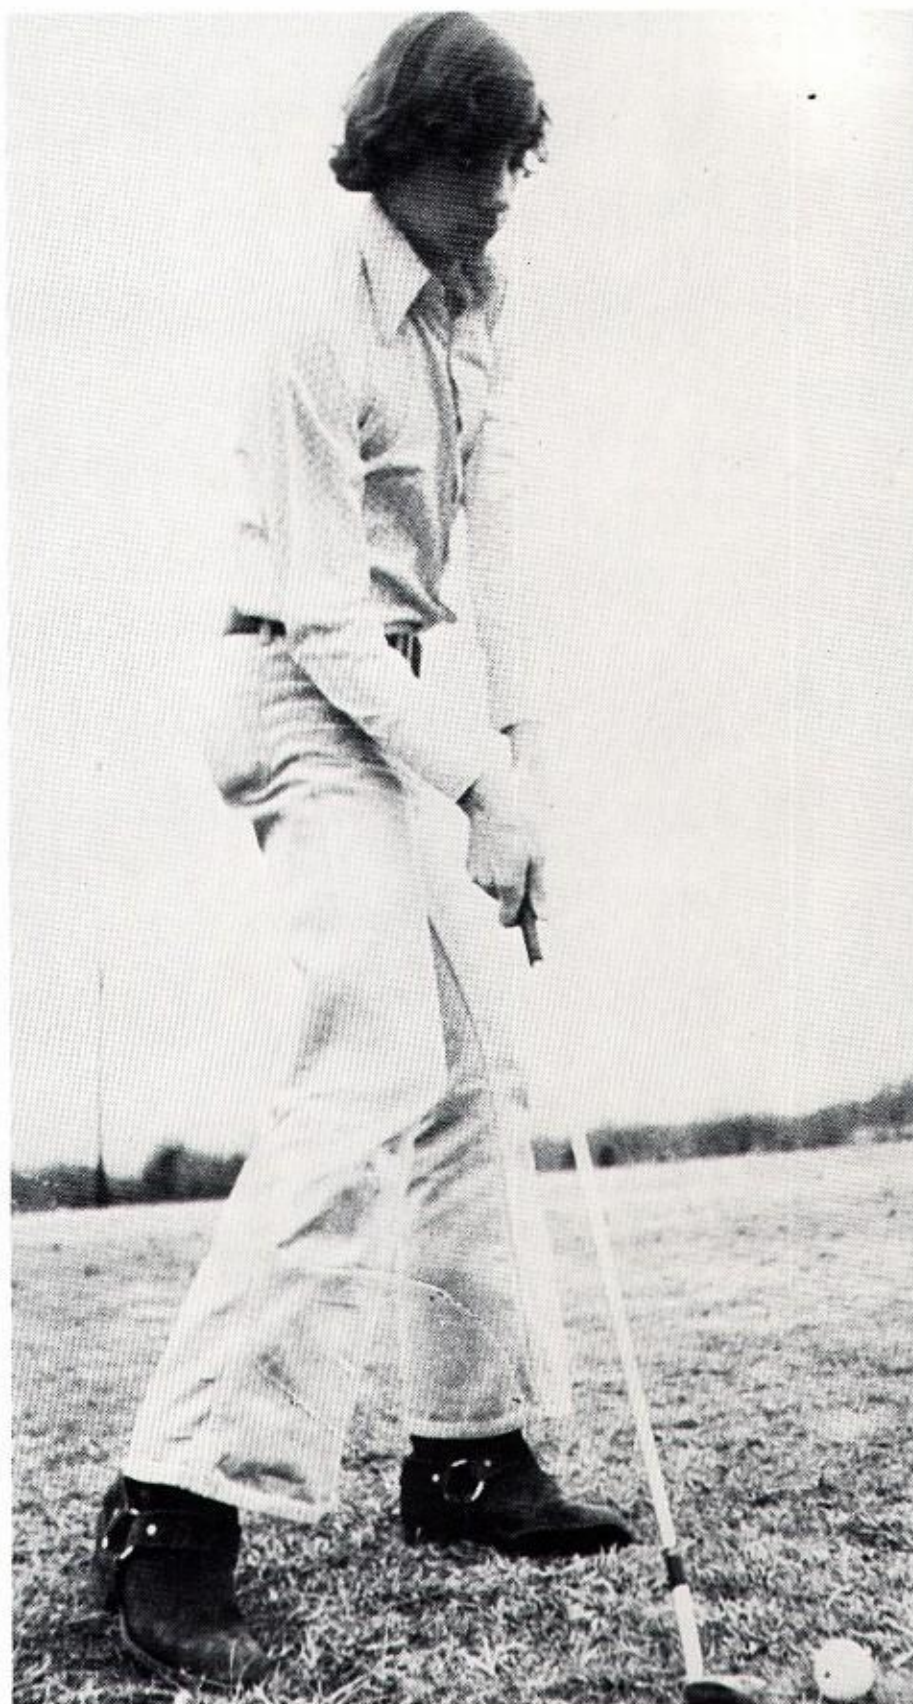

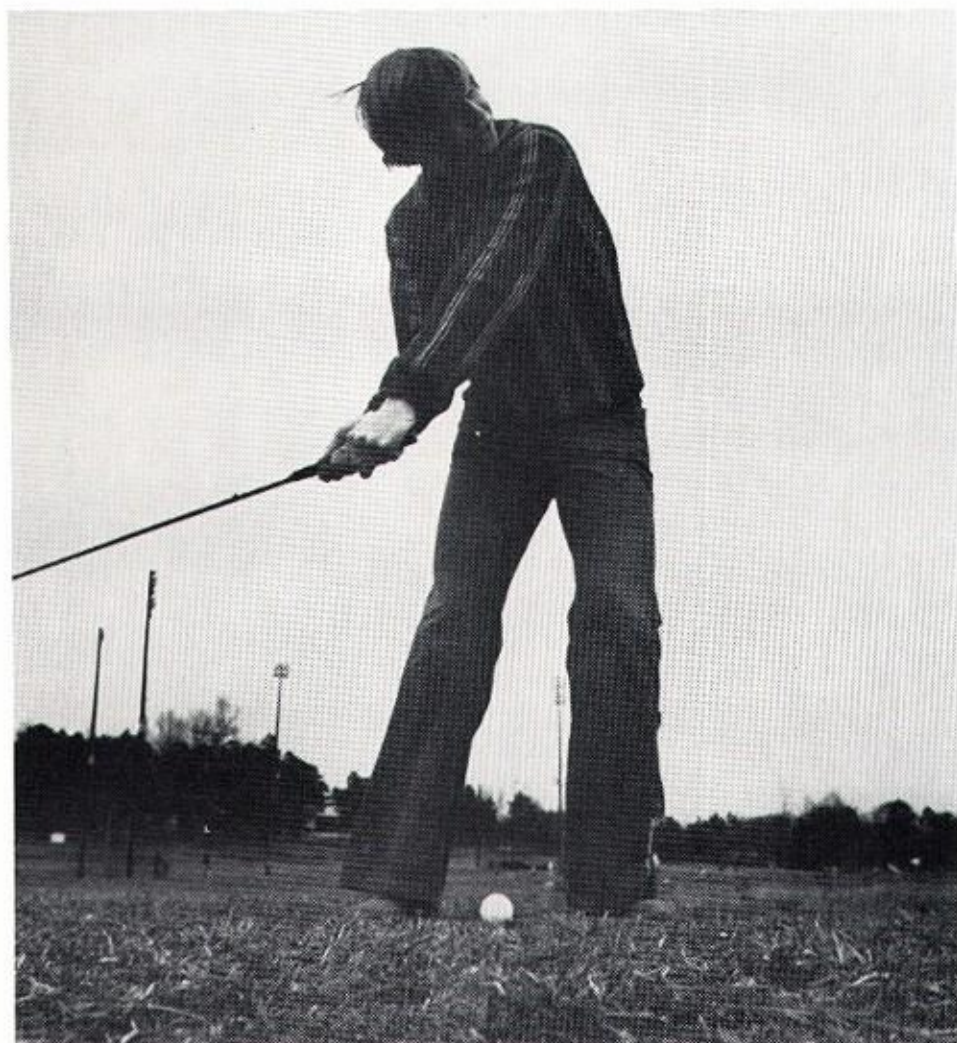

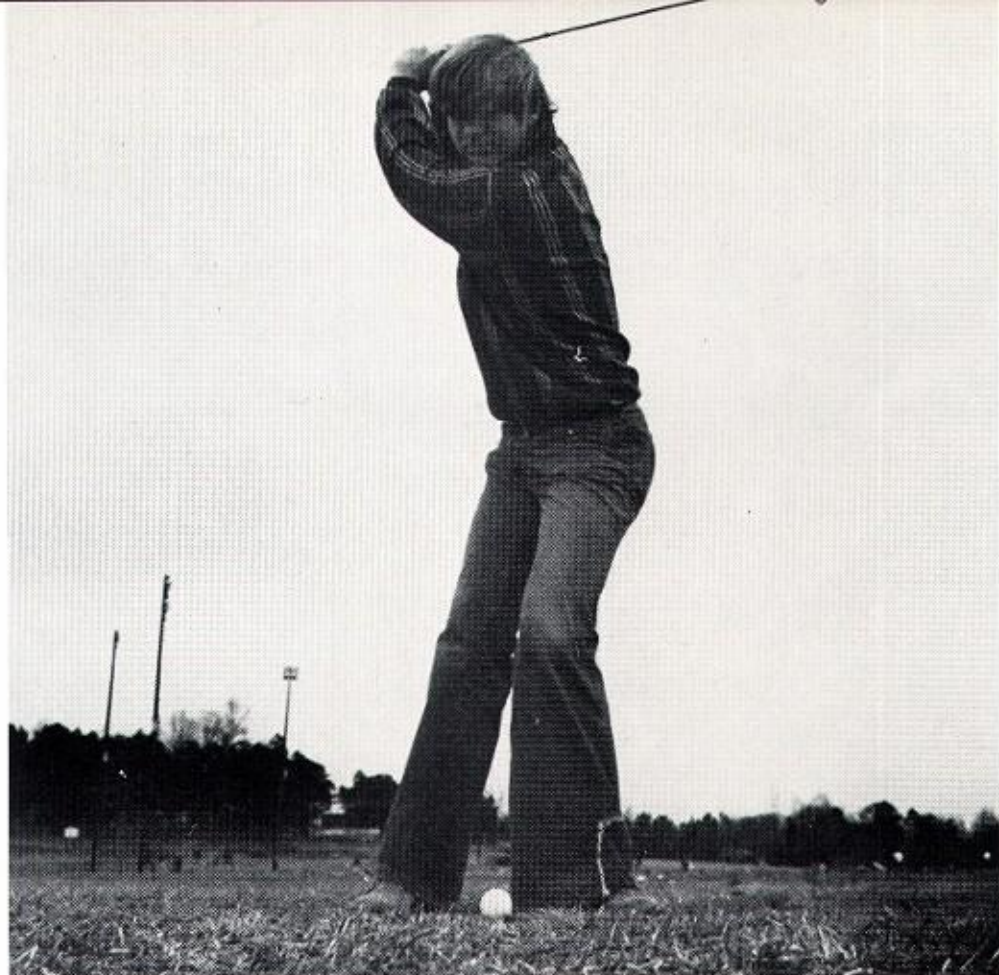

First row: Dickie Gibbons, Greg York, Monty Uzzell, Billy Belk, Leslie Eggleston. Second row: Head Coach Joyce Hunter, John Hancock, John Duncan, Ralph Scronce, David Finger, Stan Oakley, Channing Johnson.

Experienced Duffers Expect Swinging Year

This year's golf team should have an excellent season with the leadership of returning lettermen Trip Barcliff and Paul Kil-lough.

The golf team should be in high swing this year and hope to get plenty of support.

left to right; Mike Ripley, Tim Bowman, Mark Mauldwin, George Laughrun

Inexperience May Hinder Cindermen

The 1973 track season remains a question mark as Coach White's Cindermen are young and inexperienced. He relies on junior Thad Allen in the field events and junior Tony Bateman on the track. Hopefully the young Cindermen can develop their talents quickly for a respectable season.

Baseball Gets Slow Start

Garinger has always scored well in baseball, but they got off to a slow start this year losing their first two games to North Meck 3-4 and Myers Park 5-6. Then they got back in to the swing of things by winning over West Meck 7-3.

Under the leadership of Tommy Little on the mound and Brad Bradshaw at the bat the Cats' should finish the season a winner.

Coach Joe Tomanchek

first row; Mark Howie, Win Barkley, Brad Bradshaw, Joey Gregory, Jimmy Nealy, Tommy Little, William Gunter, Steve Oakley, second row; Buddy Beamer, Kim Currie, Gary Hines, Ben Cowan, Ronnie Horne, Bub James, Chuck Baker, Wilbur Johnson, third row; Coach Joe Tomanchek, Gary Simms, Ricky Griffen, Ken Hedgepeth, Terry Taylor, Pierce Sawyer, Ricky Ainsworth, manager.

FEATURES

National Honor Society

Four requirements that determine a student's membership to the National Honor Society are character, leadership, service and scholarship. Any junior or senior students who for three consecutive semesters achieved a 3.0 grade average are eligible. The inductions are

held twice a year, in September and in February for those students who achieve these requirements.

Each year the Honor Society presents a scholarship at Honors and Awards Day to one of its own members.

1971-1972 Marshals Honored

The commencement marshals are members of the Junior Class who are selected on the basis of superior scholarship, leadership, citizenship, service and personal appearance. These outstanding juniors are nominated by homeroom teachers and chosen through secret ballot by a committee of faculty members.

The responsibilities of the marshals for the Baccalaureate Service and the graduation exercises include distributing programs and escorting parents, guests and seniors to their seats. The chief marshals are chosen by the marshals themselves. These students have the honor of escorting the seniors to their seats and to the stage to receive their diplomas. Being a marshal is one of the greatest honors that could be given to a member of the junior class.

Garinger Students Attend Wild Acres

Last summer three Garinger students, Beth Steverson, Neil Moore, and Faith Hathcock, attended the Rotary Music Camp at Wild Acres in the Blue Ridge Mountains. They were selected on the basis of their vocal ability and character along with 65 other high school students from North and South Carolina. During the week they studied vocal and choral techniques and at the end of the camp, they gave several performances of the oratorio "Elijah". The camp is directed by Harvey L. Woodruff and is sponsored by Rotary Clubs throughout North and South Carolina.

Beth Steverson, Neil Moore, and Faith Hathcock.

Voice of Democracy Contest Won By Stan Oakley

This year Stan Oakley won the annual Voice of Democracy Contest, sponsored by the Veterans of Foreign Wars. The subject for the contest was "My Responsibility to Freedom." Entries were judged on content, originality, and delivery. Stan's three to five minute speech won him first place in Garinger's competition and later won him first place in the district competition.

John Miller, third runner up; Stan Oakley, winner; Sam Fulwood, second runner up.

Laura Newman Wins D.A.R. Award

Laura Newman was chosen this year to receive the D.A.R. Award from Garinger. She was chosen by the girls in her class. The award is presented every year by the Battle of Charlotte Chapter of the Daughters of American Revolution. The qualifications are dependability, leadership, service, patriotism, citizenship, and scholarship.

G. C. Ritchie Is Chosen for The Harvard Book Award

The Harvard Book Award is given to a rising Senior by the Harvard Club of Charlotte.

The award was given to G. C. Ritchie for superior scholarship and outstanding qualities of character. This award is given to the student whom the principal, faculty and classmates deem most worthy.

Bobby And Jeff Went to Boys' State

Boy's State is an American Legion sponsored event, organized to give certain rising senior boys an opportunity to learn more about state and local government.

Bobby Kirby and Jeff Davis were chosen to go to Boys' State last summer. While there, they participated in mock political conventions and elections. They were also involved in the organization of legislative houses, which went through the procedures of passing laws.

National Merit Scholarship Winners

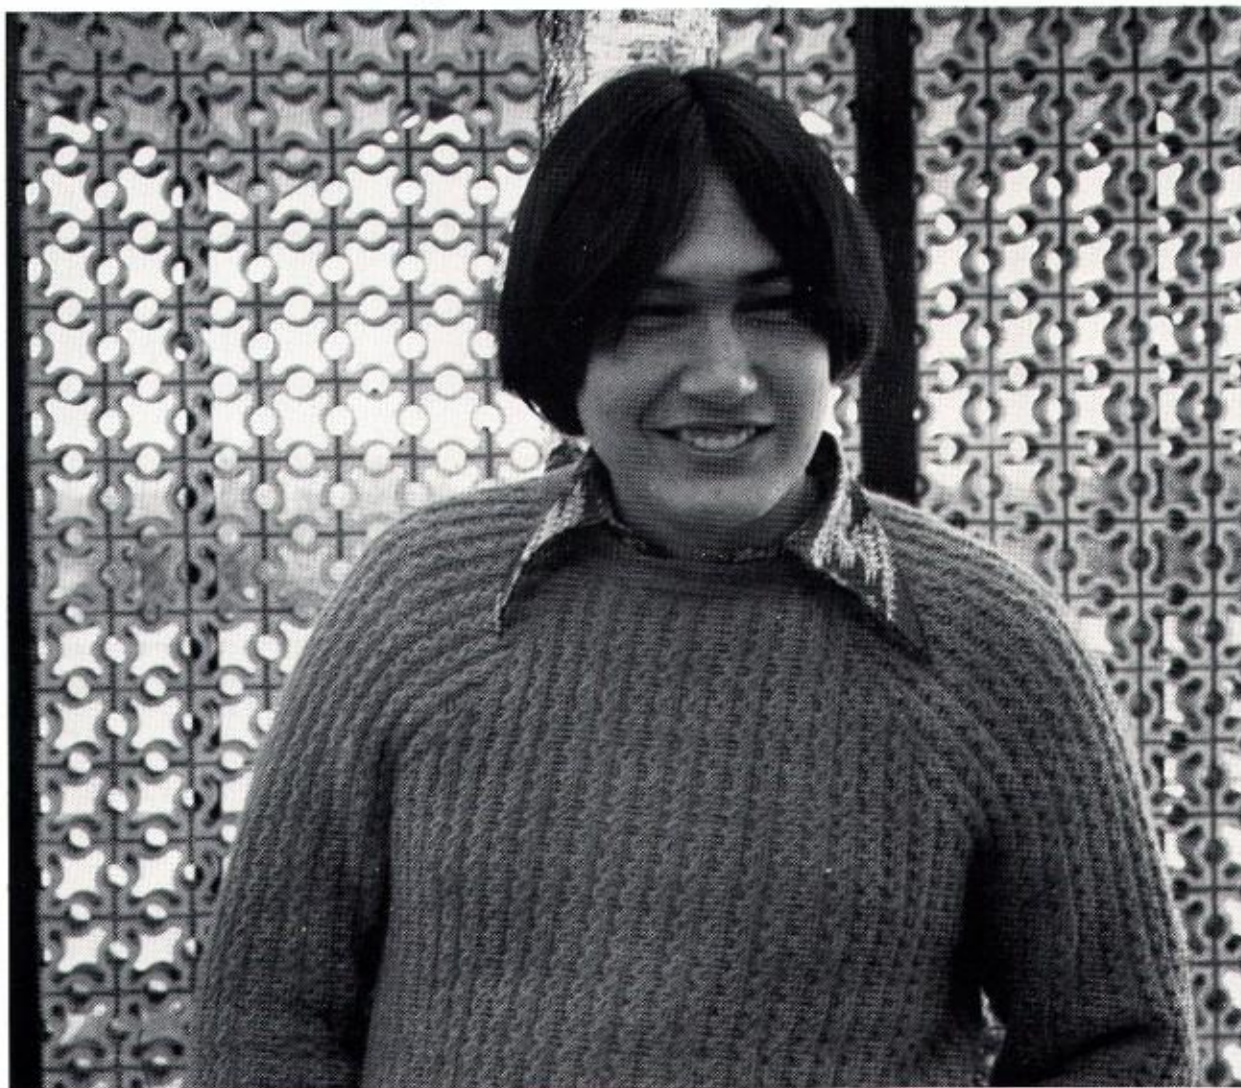

Dean Johnson and Mary Gamble are Garingers Semi-finalists in the National Merit contest from Garinger. The NMSQT tests were given in 35 local high schools for this area. Dean and Mary will compete with some 15,000 United States Students for the 3,000 Merit Scholarships that will be awarded in the spring.

Carlyle Taylor Was Garinger's Morehead Scholar

Academic excellence, outstanding citizenship and participation in extra-curricular activities are the chief factors considered by the Mecklenburg County Committee members who decide on the Morehead winners.

Carlyle Taylor was selected to enter the finalist competition for the Morehead Scholarship Award presented by the University of North Carolina. The semi-finalists for Garinger along with Carlyle were Mark Cambria, Randy Lee, and Mike Rickenbaker.

Carlyle will compete with 12 other finalists from this county for this scholarship.

Garinger's Most Talented Go to Governors School

To provide unusual experiences for the ablest students in North Carolina, both in academic areas and in the fine and performing arts, the Governor's School exists. The purpose of Governor's School is to provide a unique expansion to the students' educational experiences by means of intense training in a special field. It is supported by a grant from the Carnegie Foundation and by contributions from individuals, industries and founda-

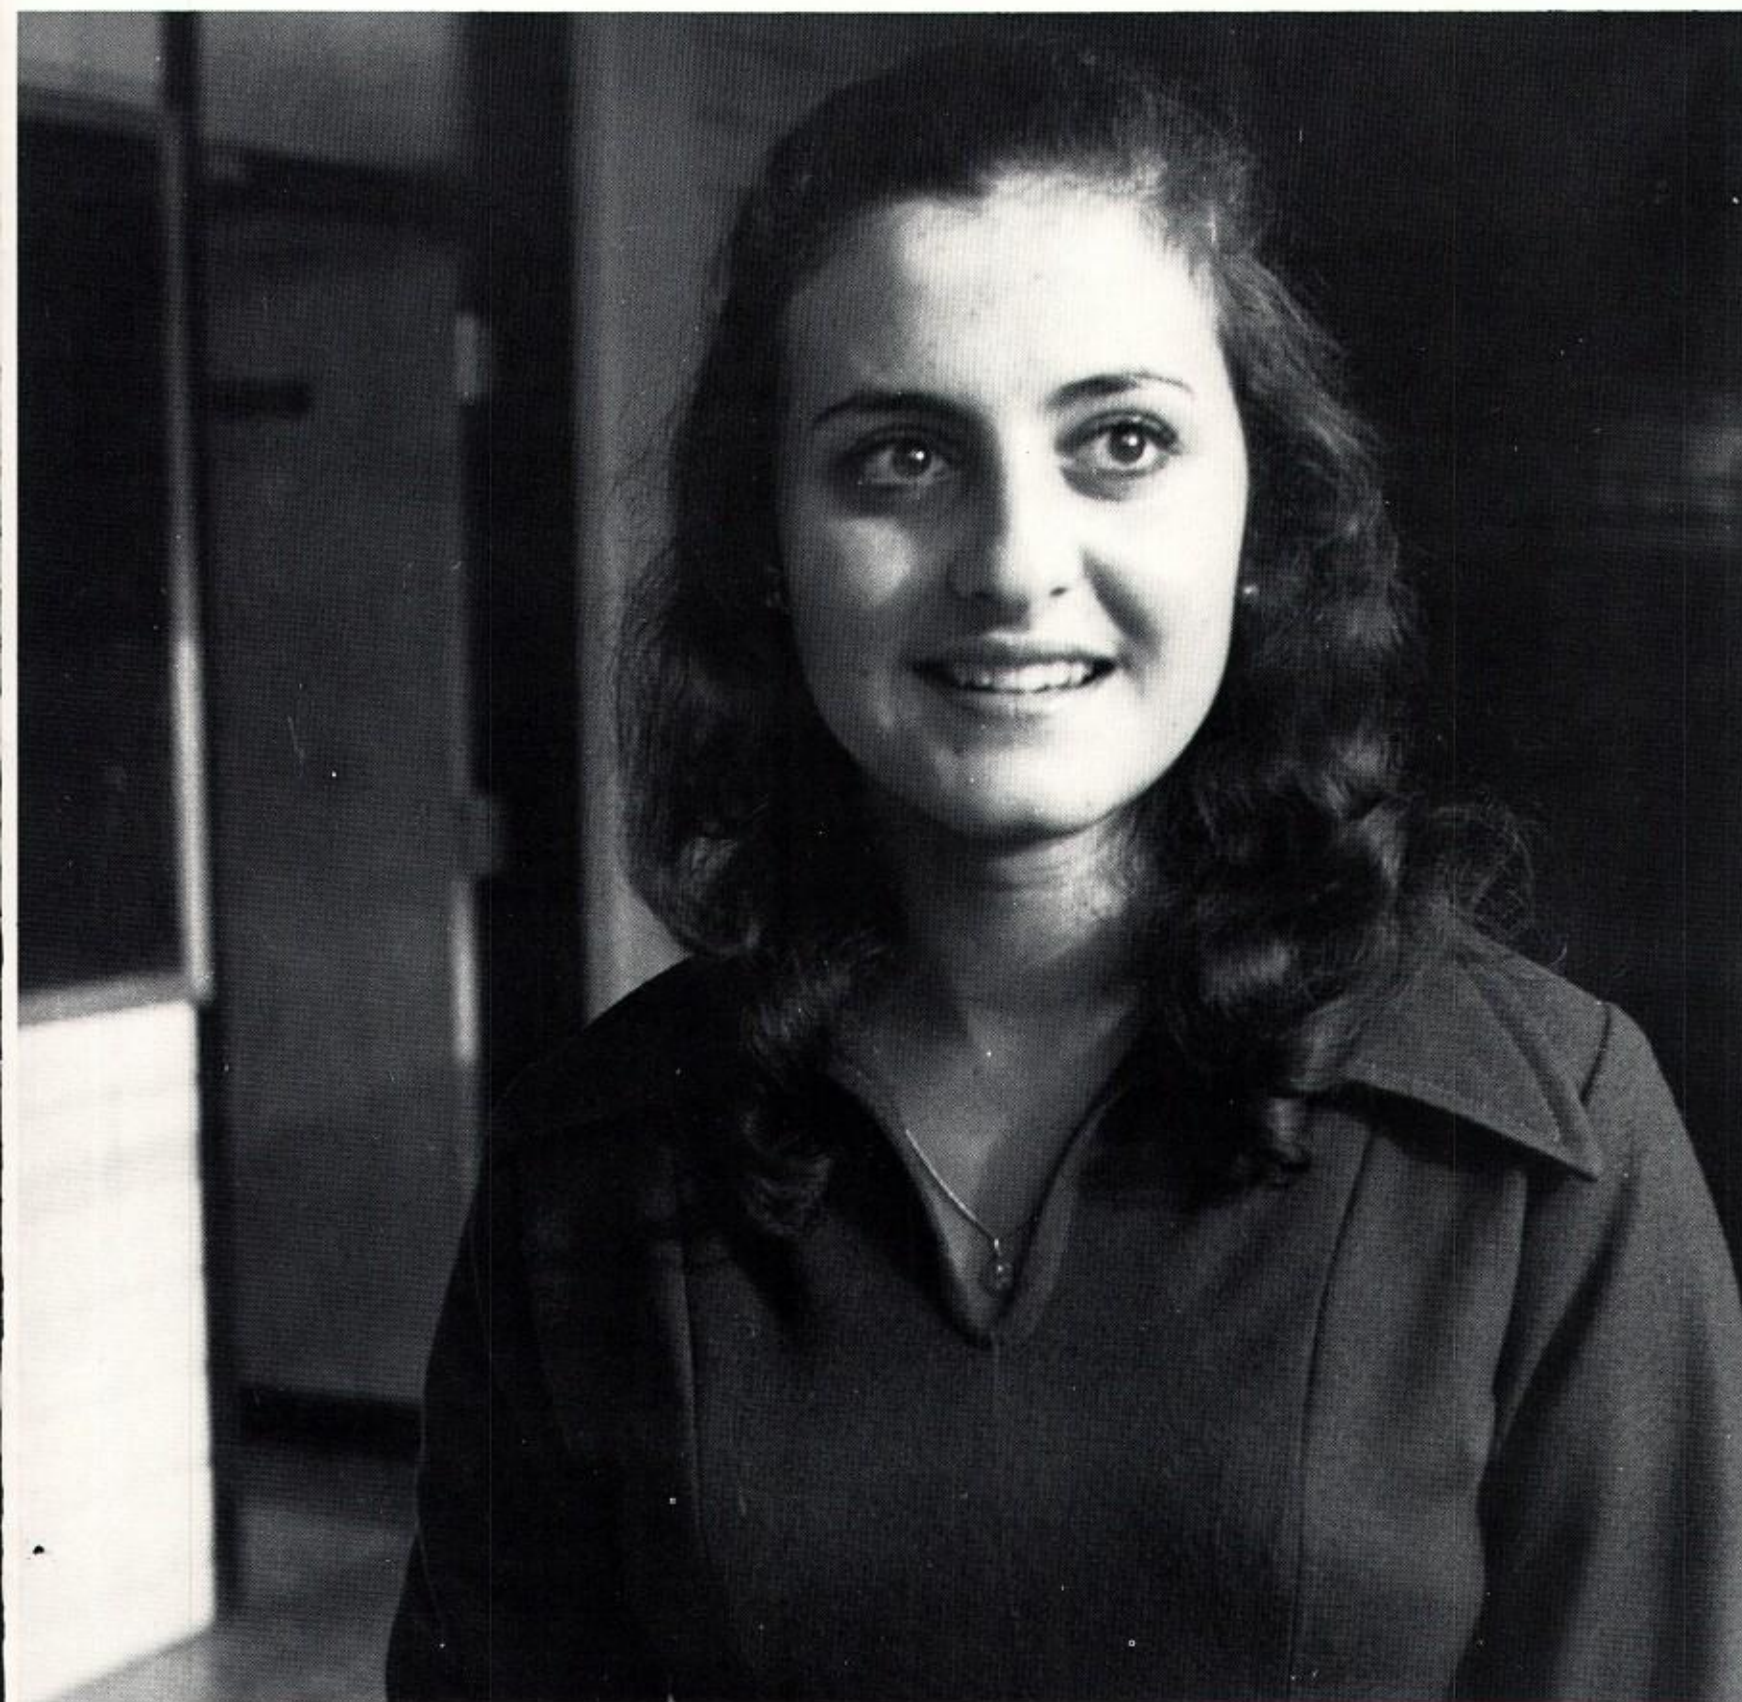

tions in Winston-Salem.

This year Ruthie Sherrill, Marsha Hendricks, Ina Jones, Pat Talbert, and Ginny Cheek went to Governor's School from Garinger. Ginny was the only candidate there from Garinger for Natural Sciences and Ruthie, Marsha, Pat, and Ina went because of their musical ability.

Left to right: Ruthie Sherrill, Marsha Hendricks, Ina Jones, Pat Talbert. Not Pictured: Ginny Cheek.

Veronica Handal Comes to Garinger

Veronica Del Carmen Handal came to Garinger from Santiago, the capital of Chili. This is her summer vacation from the school she attends in Chili, Divina Pastora or Divine Shepherd Catholic Girls school. She is a senior and plans to study biology at the University of Santiago. At Garinger she took Math Concepts, Gym, American History, which was her favorite, Biology II, English Composition, and Spanish III. She is an honorary member of Belk Teen Board of Charlotte and the G.G.S. Club.

She enjoyed meeting the people at Garinger and staying with Janet Dimmick. She considers the Dimmick's her second family and hopes that one day they will visit her in Chili.

She made many good and long lasting friends at Garinger and thinks the people are very nice. Veronica will not forget Garinger and Garinger certainly will not forget Veronica.

Donna's Talent Wins Her Miss Blue and Gray Title

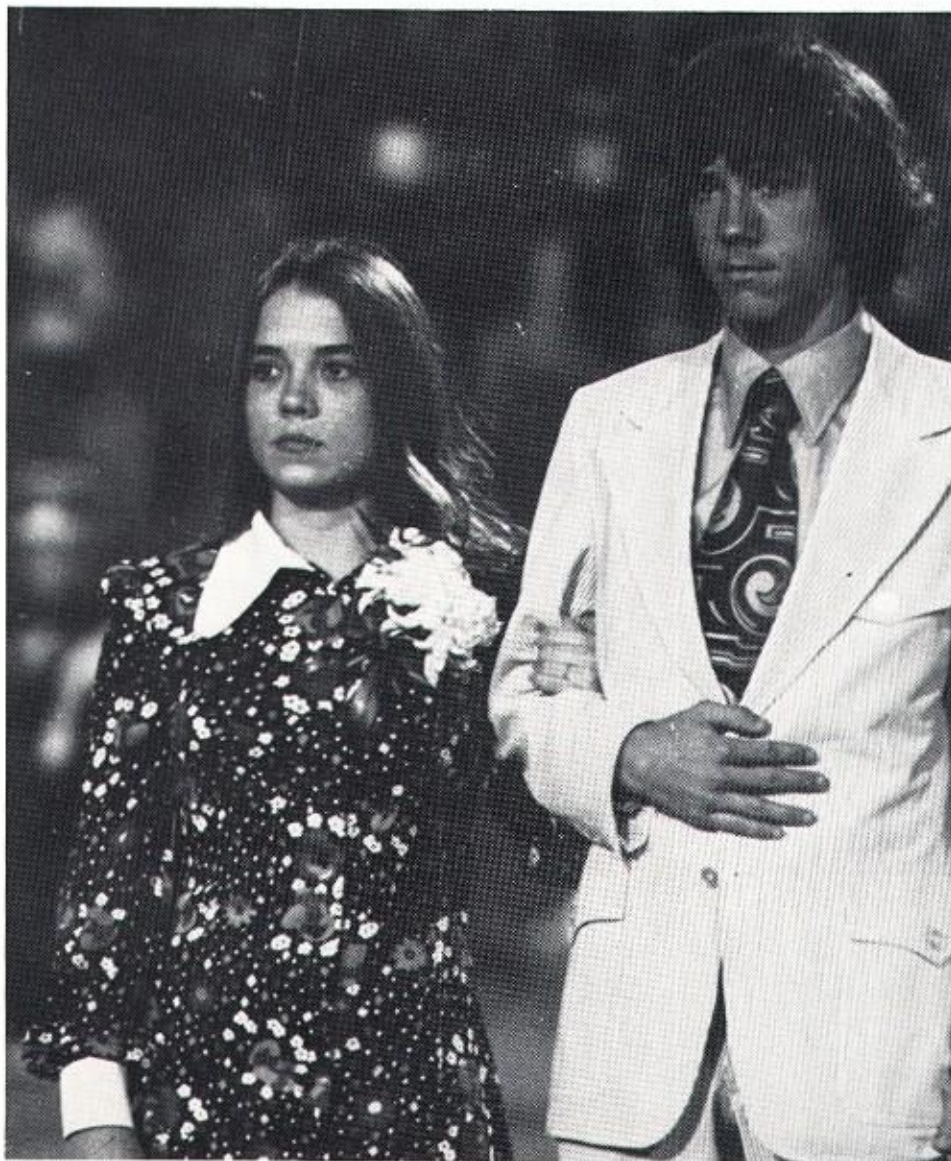

Every year, in the spring, Garinger holds its Miss Blue and Gray Contest. Last year Donna Gaither won the title. The girls are chosen on the basis of poise, beauty, and talent. All Garinger girls, sophomores, juniors, and seniors, are eligible to try out for the title. The judges are various qualified and well known people from Charlotte.

Windi Renfro Was Chosen to Be Carrousel Princess

Miss Windi Renfro was chosen as Garinger's 1972-1973 Carrousel Princess by the senior class. She represented Garinger in the annual Carrousel Parade in Charlotte. Windi was chosen on the basis of poise, grace, bearing and beauty. Windi is a lovely example of all these notable qualities.

Joellen Hyatt Is 1972-73 Homecoming Queen

This year at Memorial Stadium, Garinger hosted Independence for our 1972 Homecoming game. The senior players choose annually a senior girl to sponsor for the Homecoming game. They choose one girl from all of these to reign as Homecoming Queen. This year they chose JoEllen Hyatt to be their Queen. She was Tony Carters' sponsor and was escorted by Gary Cook.

The members of her court were Chippy Croslin, Donna Monroe, Carol Doley, and Kathy Stewart.

Troyanne Ross Chooses Garingers Beauties

Miss Troyanne Ross, the director and founder of the Troyanne Ross Institute of Modeling, is a native of Charlotte, a graduate of the American Professional Talent Academy of Atlanta, an associate member of "Mannequins of Charlotte", and a member of Actors Equity Association of New York.

She has modeled for both commercial and fashion photography, and is known for her frequent appearances in important fashion shows.

Miss Ross, being such a good authority on beauty, was asked to judge Garinger's Beauties. Her decisions were as follows:

For everything there is a season, and a time for every matter
under heaven: a time to be born, and a time to die; a time to
plant, and a time to pluck up what is planted; a time to kill,
and a time to heal; a time to break down, and a time to build
up; a time to weep, and a time to laugh; a time to mourn, and
a time to dance; a time to cast away stones, and a time to

gather stones together; a time to embrace, and a time to
refrain from embracing; a time to seek, and a time to lose; a
time to keep, and a time to cast away; a time to keep silence,
and a time to speak; a time to love, and a time to hate; a time

I am the whisper through the trees;
And the sun shining on the mountain . . .

I am the raging sea;
And the water, flowing fountain.

I stalk life as a hooded thief;
And hide in the shadow's shadow . . .

I cry on a beggars reef;
And die undying in the meadow.

I want to be seen;
Not by unseeing eyes;

What actually is my being;
Just to be recognized!

The hours of work and frustration are over. I can finally say it's done. But it would still be unfinished if it wasn't for my staff who put in so many long hours and worked so hard to complete it. Several years from now I'm sure I will consider this a rewarding experience. Right now it is a relief to have it done. Along with my staff I want to thank Mr. Ron Norman from Keys Printing Corp. for being so patient and helpful, Mr. Jesse Reich, our adviser, the people at Ivey's studio who were responsible for Senior portraits and all of my family and friends who put up with all my complaints and gave me words of support when I was feeling blue.
